What You Missed ...

By Sara Hickey on Sunday, September 27, 2020

Last week, we heard a very interesting presentation from Andy Mussaw, Founder and Farm Manager of Fresh Source Farms, a locally owned, urban farm in Elkton. He talked to us about microgreens - what are they and why are they good for us? He gave us an overview of how they grow their microgreens and herbs and what products they have to offer. They are a husband and wife team with other full-time jobs who aspire to move toward farming as their full-time business! They are open for sampling and sales every Saturday from 8am to 2pm at 905 Old Field Point Road. There was such a wealth of information, I have attached his entire presentation to the bulletin. You can also sign up for a subscription and get a portion of goodies on a regular basis! See the attached subscription flyer. Check them out on [Facebook](#) or visit for a free sample.

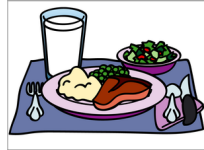

Golf Tournament update:

The Golf Tournament Fundraiser is just 3 weeks away!! Our team is doing a great job of soliciting sponsors and we are almost halfway to our goal of raising \$30,000 for the Business Resource Center at the new North East Library.

Now we need golfers!! If you would like to play or know someone who would, please sign up NOW at rotaryclubofnortheast.org. All the details and a downloadable brochure are available on our website.

Need more incentive . . . Sandals Resorts is sponsoring a hole-in-one contest where you can win a vacation worth up to \$10,000!!

Some members will be preparing and delivering a meal to Deep Roots, Inc., a homeless shelter in Earleville, twice a month beginning in October. If you would like to help by delivering the meal on occasion, please contact Sara.

All of our meetings will be via Zoom until otherwise notified. You can [click here](#) each week to log on. You can use your smart phone, laptop, iPad or desktop computer. A web camera is NOT required. Please reach out to any club officer if you need help getting started. If you have trouble with internet access, you can call in using this number: +1 929 205 6099. If you missed it, last week's recording is available for viewing [here](#).

Care and Concern:

Karen's Father-in-Law passed away
Barry's granddaughter is recovering from a serious illness

Please send them positive thoughts and prayers.
