### What You Missed ...

By Sara Hickey on Sunday, October 4, 2020

Last week, our speaker was Jen Lyall, Public Information Officer for Cecil County. She has held this position since 2017 and works very closely with County Executive Dr. Alan McCarthy. One of her first tasks was to provide a written communication plan for the county, which had never been done before. Since communicating and disseminating information to the public is her key role, she manages the county website content, calendar of events, and oversees 22 different social media accounts. She also writes press releases which are posted on the county website [ccgov.org](http://ccgov.org) and assists with speech writing and public appearances for Dr. McCarthy. If you want to keep up with all the important information happening in the county, sign up for their notification list [here](#).

#### Golf Tournament update:

**The Golf Tournament Fundraiser is just a week and a half away!!** Our team is doing a great job of soliciting sponsors and we are more than halfway to our goal of raising \$30,000 for the Business Resource Center at the new North East Library. Any last minute sponsors or golfers need to sign up by October 9th.

If you would like to play or know someone who would, please sign up NOW at [rotaryclubofnortheast.org](http://rotaryclubofnortheast.org). All the details and a downloadable brochure are available on our website.

Need more incentive . . . Sandals Resorts is sponsoring a hole-in-one contest where you can win a vacation for two worth up to \$10,000!!

#### Congratulations on Perfect Attendance for the Month of September ...

We know attendance is difficult, even if you're just virtual, and we all miss being together physically, but we still want to congratulate those individuals that made EVERY Zoom meeting last month.
