What You Missed ...

By Sara Hickey on Saturday, November 6, 2021

This week, we had the privilege of the Official District Governor visit. Hugh Dawkins met with us at Mary's house and discussed some of the successes of the District already this year, as well as encouraging us to continue "making a difference."

Hugh emphasized that Rotarians are "opportunity creators" and "community builders," giving the examples of providing PPE early on in the pandemic and packing over 300,000 meals last month to feed our communities. He also reminded us all to "Each one bring one," and asked everyone to think about inviting two or three people to a meeting to discover more about Rotary. With more feet on the ground (more members) we can do even more good!

He encouraged us to give to the Annual Fund (optional on quarterly invoices) because that funds our local and global grants, giving us money to serve more people in our communities.

He concluded with this inspiring message, "May this year be another rewarding time for each of us in our Rotary journey as we seize the day, we reach for the stars, and we

SERVE TO CHANGE LIVES

serve to change lives, every single day."
