### What You Missed ...

By Sara Hickey on Monday, October 12, 2020

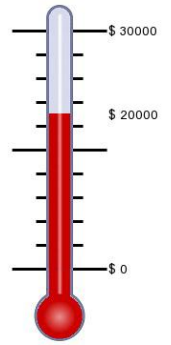

Last week, our speaker was Allyn Nickle, Cecil County Register of Wills. She spoke about the importance of having a will, what costs are involved with registering a decedent's will (minimal), and lots of other important information regarding the duties of this office. Did you know that most family members are exempt from inheritance tax? Her office processes about 600 estates per year, but only about 1/2 of all decedents have a will. For more information, please visit their website:

**Golf Tournament Update:**

**The Golf Tournament Fundraiser is just a  
few days away!! Our team has done a**

**great job of soliciting sponsors and we have raised about \$20,000 towards our goal of \$30,000 for the Business Resource Center at the new North East Library. Registration is now closed.**
