PROGRAM: CEO of Leadership Delaware, Terry Strine shared the what, why and how of Leadership Delaware. He spoke of the impact the program has upon Fellows (participants in the program), their employers, and Delaware. Program Director Lora Matteis also attended. Terry having seen leadership at the local, state, and national levels in business, finance, and the political world, wanted to create opportunities to mentor the best and brightest young leaders in the First State. The program is highly competitive and costs \$5500 which covers half of the total cost of the program per participant. Candidates must go through an intense interview process to be selected. To date 246 leaders have completed the program and have stated the program is transformational, challenging, and a rewarding experience. Terry stressed that participants must be exceptional and have grit. The goal of the program is for Fellows to rise to significant positions of leadership in their business, a nonprofit, and government and politics. If you know any prospective applicants that have the "stuff of leadership" please have them RSVP to a Candidate Reception with lora Matteis at lora.leadde@gmail.com. Class of 2020 Candidate Receptions are on 8/15, 8/27, 9/10, and 9/12. Sounds to me like Leadership Delaware alum would be the perfect future Rotarians!

SUNDAY BREAKFAST MISSION: Looking for volunteers to join Hunter, Peggy, and I at the Sunday Breakfast Mission this Sunday, 7/21 to serve dinner from 4:30-6:30pm. Peggy and I are carpooling and I can fit 6 more Rotarians if anyone wants a ride I will swing by! Ask Hunter for more info, and text Liz 302-290-3776 for a ride.

A MESSAGE FROM OUR PRESIDENT: Thank you for the great turnout at the Installation Dinner of Club Officers on July 11! Really looking forward to my year as president and keeping the momentum moving forward from Brian's reign. Hoping my presidency will be at least as strong as the railing in my house.
