TODAY: Project New Start ♦ Priscilla Turgon

Priscilla founded Project New Start, Inc. and the New Start Reentry Program to address violent crime in Delaware. Project New Start♦s mission is to combat violence and reduce recidivism by assisting individuals in their transition to long-term success. Over 90% of New Start graduates have secured employment and 78% have not been reconvicted. Priscilla♦s successful career includes working for the CIA as a collateral research analyst, rehabilitation counseling and management, and she became the first female parole officer supervisor for the State of Ohio.

LAST WEEK: CEO of Leadership Delaware, Terry Strine shared the what, why and how of Leadership Delaware. Program Director Lora Matteis also attended. The program creates opportunities to mentor the best and brightest young leaders in the First State. The program is highly competitive and costs \$5500 which covers half of the total cost of the program per participant. Candidates must go through an intense interview process to be selected. To date 246 leaders have completed the program and have stated the program is transformational, challenging, and a rewarding experience. Terry stressed that participants must be exceptional and have grit. The goal of the program is for Fellows to rise to significant positions of leadership in their business, a nonprofit, and government and politics. If you know any prospective applicants that have the "stuff of leadership" please have them RSVP to a Candidate Reception with Lora Matteis at lora.leadde@gmail.com. Class of 2020 Candidate Receptions are on 8/15, 8/27, 9/10, and 9/12. Sounds to me like Leadership Delaware alum would be the perfect future Rotarians!

A MESSAGE FROM THE PRESIDENT: Serving dinner at the Sunday Breakfast Mission with the Boy Scouts of America was an eye-opening experience. The residents were extremely gracious and there were almost 200 homeless who came through the doors that extremely hot and humid Sunday (very grateful they had AC!). We will be back there on August 11--if you are interested in volunteering reach out to Hunter and text me if you♦d like to carpool

(302-290-3776).

FLAG FOR HEROES: Chris Vanderslice is the MAN! Carman Ford will donate \$10 for any test-driver who visits their dealership in the month of August. They are looking to set up a flag display on their grounds and promote Flag for Heroes on the radio. More details to come!
