TODAY: Delawareans Making a Difference ♦ Mike Hoffman

A native Delawarean, Mike Hoffman is a Partner with Tarabicos Grosso, LLP in New Castle practicing primarily in the areas of land use and land development and serving as Legal Counsel for the Lewes Board of Public Works. He is a former adjunct instructor with the paralegal program at Del Tech and previously served as an attorney for the House of Representatives Republican caucus. Mike has been named in Delaware Today as a Top Lawyer and Delaware Business Times Top 40 Under 40. An active member of the community, he will share more on how he got into land use and the work he has done in Delaware.

LAST WEEK: Delaware State Police Officer Ryan Quackenbush and police K9 Tomi provided a very engaging demonstration on the work they do and the Heroes Self Defense Foundation. This nonprofit organization was founded by Ryan and supports first responders, military police and police canines. Its mission includes providing police canines with ballistic vests, tourniquets for first responder aid kits, and sponsoring a survival tactics course. Ryan stressed the importance of non-violent force options and he teaches a jiu jitsu-based survival tactics course for police officers. The class teaches techniques on how to save lives and decrease probability of using firearms. Heroes Self Defense Foundation is hosting a golf tournament on September 13 in Magnolia, Delaware. Details found here: <https://heroesselfdefense.org/events>. Ryan is an army vet and our club is interested in working with HSDf for our Flag for Heroes project. In addition, we ♦d like to fundraise for a custom ballistics vest for Tomi.
