Service Above Self Awards

By Judy Prah

We are SO proud of our "Service Above Self" award winners.

Flanked by their principals, Ms Sorrells on the left and Mr. Bromwell on the right, we present our honorees:

Robert Sellers, Lexie Mills, Liz Dodge and

Tyler Edgar. These students have put enormous hours into helping our local communities, in all different areas of needs within our county.

Their principals choose them for this award, not Rotary.

But, we're so proud to give this award to students, who may not have been recognized for all that they give to our community.

CONGRATULATIONS, and Best Wishes for an exciting future of service; and an exciting personal future for each of you.
