## Amy's Weekly Update

Tuesday, July 30, 2019

### Recent Guests:

- 7/18 - Mrs. Joan Johnson ♦ Don Johnson & Amy Craig
- 7/25 - Dr. Andre Duerinckz ♦ Hubbert Wright, Lt. Wendy Parsons & Lt. Bo Parsons (Prospective Members) ♦ Allen Nelson
- 8/1 - No guests
- 8/8 - No Guest

### Attendance:

- 7/25 ♦ 51 %
- 8/1 - 51 %
- 8/8 - 54 %

### Last Week's Meeting - Nancy Shockley, Dorchester County Partnership for Children & Families

Nancy Shockley spoke to the Club about the role of her county agency with assisting children and families in our community. As a unit of the county government, her board also serves as an advisory board to the County Council. Two of the funded programs are breaking the cycles of poverty under a evidence based curriculum known as CIRCLES USA (building community to end poverty); and, an inmate reentry program that helps to professionally reconnect those exiting our local corrections department to their community to make sure their services continue.

### **Fund Raising:**

Please put on your thinking hats for this year's fundraising. Jeff Hubbard will be securing Sailwinds for our 2020 Oyster Roast. We all need to assist in our one big community service fundraiser.

Phil Reed and Jeff Cornwell will be working with Judy Prahll and hopefully the Interact Club to organize a Pennies for Polio this fall.

### **Board Meeting:**

The next Board Meeting is Tuesday, September 17, 2019 @ 7:30 a.m. @ Katie Mae's Restaurant, Poplar & High, Cambridge, MD 21613

## **Year to Date Polio Cases**

### **As of July 31, 2019:**

Afghanistan: 2019 - 12 cases of wild polio vs 13 last YTD

Pakistan: 2019 - 47 cases of wild polio vs 4 last YTD

You can keep up with the fight here <http://polioeradication.org/polio-today/polio-now/this-week/>

## **July 2019 Rotary Ramp Build was a Hot One**

Postmen brag that "Neither snow nor rain nor heat nor gloom of night" will keep them from their appointed rounds. Not to be out done by the postal service, last week Cambridge Rotarians did not let heat indexes well over 100 degrees keep us from our commitment to build the largest ramp we have ever done.

When the request came in to help the Rideouts by installing a desperately needed ramp, the vote from the Board was unanimous to do the build and Allen Nelson put the wheels in motion to get everything in place. When the planning was all done the date for the build was set for July 19 & 20. Unfortunately, July 19 & 20, 2019 turned out to be a couple of the hottest dates in recent history with heat index over 100 degrees both days. Keeping the safety of members in mind it was decided to start much earlier each day and stop well before noon each day. All members watched out for each other and a lot of water and Gatorade was consumed on site. The team worked together and was very focused over the two days leading up to the build and during the build on Friday and Saturday. As a result, at 10:30 am on the July 20th the only remaining task was to install the handrail.

Thank you to the following Rotarians for their efforts on this difficult build: Allen Nelson, foreman, Amy Craig, assistant foreman, Bill Wise, Phil Reed, Danny Muffoletto, George Fox, Ed Connelly, Doug Bennett, Emory Tamplin, Judy Prahll, Rob Collison, Bill Christopher, Hubert Wright, and Mary Mullaney, Jr. Also, an additional thank you to Marty for bringing in additional reinforcements with Carl, Billy, and his son Connor.

## Club Leaders

[Amy J. Craig](#)  
President

[Jodi Garvin](#)  
President-Elect

[Judann Culver](#)  
Vice President

[Michael Scott Wheatley](#)  
Secretary

[Allen Nelson](#)  
Treasurer
