Young At Heart: Meet new RI President Holger Knaack

By Tiffany Ervin Monday, July 13, 2020

YOUNG AT HEART (From the most recent issue of The Rotarian magazine)

Holger Knaack has a fresh vision for the Rotary of the future. With a little help from his friends, things should go

swimmingly...

There's a German phrase: man holt die Leute ins Boot. It means getting people on board to work together toward a common goal. In the coming year, Rotarians will find that Holger Knaack is not one to stand on the sidelines while others do the work. But equally important for Knaack is the philosophy that working hard doesn't mean you can't also have a good time. As he spends this year getting people on board especially to carry out his highest priority, investing in young people he will also be doing his best to make sure everyone is enjoying themselves.

Holger Knaack is an atypical Rotary president, and not just because he wears jeans and eschews ties much of the time. He's the organization's first German president, and he came to that position in untraditional fashion. Unlike many of his predecessors, he didn't rise step by step through

Reggie Holland

By Angela Dills on Wednesday, July 8, 2020

We lost a great man, husband, father, and Rotarian. Reggie Holland passed away on July 2nd, 2020 at Mission Hospital in Asheville, NC.

Reggie was a bright light and always had a smile for everyone. His sense of humor brought many laughs to our weekly meetings and he always made everyone feel right at home.

You will be missed Reggie, we love you and will keep you in our hearts and minds. Thank you for sharing your love of life with us.

At the board meeting on July 8, the board voted to allocate some unspent fundraising funds from last year (due to disruptions from Covid-19) toward a donation in honor of Reggie to an organization dear to his heart, Teen Challenge of the Smokies.

End Polio Now

By Angela Dills on Friday, July 17, 2020

July's Rotary theme is Polio Plus and new Rotary year! Billi Black hosted PDG Cynde Covington to discuss Rotary's efforts to End Polio Now. Since Rotary's efforts began in 1979, the organization has contributed more than \$1.8 billion to eradicate this virus, immunizing more than 2.5 billion children. We are THIS CLOSE. It only costs \$3 to fully protect a child against polio. If you'd like to make a donation to PolioPlus, sign up for Rotary Direct through rotary.org or visit <https://www.endpolio.org/donate>.

Officer Installation

By Angela Dills on Wednesday, July 8, 2020

Thank you to Teresa Murray for her year of service. At the Officer Installation on July 7, Teresa thanked her board members. Billi Black install the new Club President, Fred Jones, and the rest of the board. A delicious dinner was catered by Martha's Kitchen and Jennifer Jones decorated the tables with beautiful flowers from her garden. Club members honors Reggie Holland with a gorgeous flower arrangement from Beverly Mason and a music playlist from Fred.

Many thanks to the Club Board for 2020-2021 for their willingness to serve.

the ranks of Rotary offices. He served as club president and district governor, but he had held only one Rotary International post, that of training leader, before becoming director. And he remembers being at a Rotary institute where people asked him what other district offices he had held before becoming governor. ♦ I said, ♦ None. None. ♦ All of them were very surprised, ♦ he recalls.
