### The Rotary Foundation: Week 3

By Angela Dills on Wednesday, October 21, 2020

#### HOW DID THE ROTARY FOUNDATION GET STARTED?

The Rotary Foundation was founded in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary to do good in the world. It has grown from an initial contribution in 1917 of \$26.50 from the Rotary Club of Kansas City, Missouri to more than \$4.4 billion dollars in total contributions. The Rotary Foundation made its first grant of \$500.00 to the International Society for Crippled Children in 1930, and to this day, it continues to do good in the world in the name of Rotary.

Thank you for supporting The Rotary Foundation and its work.
