Ethical Dilemma Discussion: what would you do?

By George David Waechter
Wednesday, November 4, 2020

Diversity Case Study

Scenario: Your club has members who come from different backgrounds, religions, and ethnicities. In response to current events, some members want to take a stand against social injustices in your local community and abroad. Other members find these issues political or controversial, and don't support the club taking action. This has created tension in the club and alienated and upset some members. As the club chair for community service, you want to ensure that everyone's voice is heard and the type of projects and initiatives you support in the community are endorsed by all members.

What would you do?

The Rotary Foundation: Week 5

By Angela Dills on Wednesday, October 21, 2020

WHAT IS THE ROTARY FOUNDATION'S ANNUAL FUND?

The Annual Fund is the primary source of unrestricted support for the programs of The Rotary Foundation. From digging clean water wells for villages in Africa to teaching basic literacy skills to children in Latin America, during any given moment in a day, thousands of Rotarians volunteer their time and expertise to ensure that all contributions given to the Annual Fund are spent wisely on quality Rotary projects.

In the 2018-19 Rotary year, US\$126.1 million was donated to The Rotary Foundation's Annual Fund. The Annual Fund is comprised of donations from Rotarians, friends of Rotary, corporations, workplace giving vehicles and can be matched by corporate matching gifts to leverage your donation. There is even an online resource that allows you to see if your company has a charitable matching program—check it out at: www.rotary.org/matchinggifts

Will you support the Annual Fund with a \$10 monthly gift this year?
