### Hendersonville Rotary Club Meets In Person!

By Sheila K. Grapes on Sunday, November 14, 2021

Big smiles could be seen on the faces of Rotarians and their guests as the Rotary Club of Hendersonville held their first in person meeting in over two years in the Grace Lutheran Church fellowship hall on Tuesday, November 8th. Over 50 Rotarians attended as the Club held its first live noon meeting honoring the Club's 22 veterans for their military service as part of their Veteran's Day program.

Provisions were made to conduct a hybrid meeting for those members who wish to continue to zoom programs weekly. Box lunches and cupcakes were provided by Dandelion and Publix. Balloons and American and military flags adorned the room for a festive atmosphere.

Club President, Keith Logan welcomed all members and their guests along with several new members who joined the Club during Covid and had never attended a live meeting. During the past 2 1/2 years, the Club has welcomed 15 new members during zoom meetings. They are looking forward to getting more involved in the Club and their service activities.

Rotarians Don Jackman, Larry Wilson, Bob Soderstrom, Bob Felt, and Craig Kirkpatrick with over 100 combined years of active military duty presented the program. They shared their experiences and highlights of their military careers.

Rotary's vision is together we see a world where people unite and take action and create lasting change across the globe, in our communities, and in ourselves. The Hendersonville Rotary Club wants to engage every member to help them find their passion for Rotary. They want to increase membership as an opportunity to serve and strive to help others be greater than themselves.

## Care & Concern, 11/13/2021

By Craig M. Kirkpatrick Jr. on Saturday, November 13, 2021

Here's the Care & Concern report for today, 11/13/2021 1. Ron Holt--Ron's hanging in there, making good progress. His neck is stiff, which is not surprising given how rigid that neck brace is, but Ron's making the best of it. His next doctor's visit is November 30th and Ron hopes to have X-rays ready for this online visit. Please continue to keep Ron and his family in your prayers for continued progress and healing.

2. Broward Davis--great telephone visit with Broward this morning. Broward was getting ready for a good day of football watching. He shared that his dialysis sessions are going well; they're scheduled three days a week, MWF, for several hours each day. He sees Spence Campbell occasionally and hopes one day to be able to ride with him to Rotary meetings. He appreciates all your prayers.

3. Jon Kilpatrick's wife, Tina--nothing new to report as Tina continues to get better after months of chemo. Next month, she and Jon will know better how things are going when they meet next with Tina's oncologist.

4. Larry Elliot--checked in with Larry just to see how things were going way up there in Nebraska and learned Larry is possibly facing another back surgery. So, we need to keep him and his back situation in all our collective prayers. Helen's doing great!

Respectfully submitted,

Craig Kirkpatrick

## Rotary Member Two Minute Talks

By Sheila K. Grapes on Saturday, November 13, 2021

To help us catch up and to know more about our members, please contact me at [separgs@morrisbb.net](mailto:separgs@morrisbb.net) if you have not given your two minute member talk in the past year and a half. You may choose to come to one of our live meetings going forward to give your talk or present on zoom. This talk is essentially how we have members introduce themselves to our club. It can be whatever you choose, but usually it's what brought you to the community/our club. You may also share about your family, activities, and hobbies you enjoy. Whatever you can share in two minutes will work! Please let me know what dates you are available and Keith and I will schedule your talk.

## Children's Book Drive for WCCA

By Mary Ellen M Kustin on Sunday, October 31, 2021

Western Carolina Community Action (WCCA) is requesting donations of children's books in English and/or Spanish.

Kids' early experiences shape what they imagine to be possible, so it is incredibly valuable for all children to see themselves reflected in books. If you'd like suggestions for books to donate, here's a book list from Reading is Fundamental: <https://www.rif.org/literacy-central/equity-collection>.

Please participate in our book drive one of two ways anytime **before November 30**:

1. Drop off gently used or new children's books in the weatherproof book bin on the front stoop of 1618 Orleans Ave in Hendersonville

or

2. Order books online and have them shipped to:

Book Drive for WCCA  
c/o Mary Ellen Kustin  
1618 Orleans Ave  
Hendersonville, NC 28791
