11-22-21 President's Update

By Keith E Logan on Saturday, November 20, 2021

With two in-person meetings under our belts, it's starting to feel a little like normal again. We've seen a number of familiar faces joining us at Grace Lutheran Church. Inspiring and informative presentations have marked our programs. Salvation Army bell ringing is just around the corner. Let's continue to build on the momentum.

Our motto of service above self has certainly been exemplified by Karolyn Killian in her role as secretary and Jonathan Hutto as our all around technical guru. But both of them need help. We need someone to step up and help with meals or other administrative activities on Karolyn's plate. Ideally, we would like someone to step up as assistant secretary. Also, we need someone who can learn the technical setup to be a backup when Jonathan can't be present. If you have the ability to help in either of these areas, please let us know.

Care & Concern, 11/20/2021

By Craig M. Kirkpatrick Jr. on Friday, November 19, 2021

Folks, here's the Care & Concern report for this past week. I'm a little early as I'll be heading out of town soon for the Thanksgiving Holiday and will miss Tuesday's meeting. Should any updates occur between now and the end of the weekend, I'll email Keith directly. 1. Ron Holt-- Ron's still making good progress with the normal aches and pains associated with the trauma he's undergone. As previously reported, he's looking forward to meeting on line with his surgeon November 30th to assess progress. As usual, prayers are always appreciated.

2. Larry Elliot--Larry saw his neurosurgeon yesterday and has been scheduled for his 4th back surgery December 6th. He hopes to get it done and be somewhat recuperated by Christmas. He says he knows Ron Kauffman still has him beat on the number of back surgeries undergone, but that he'll gladly let him win that particular race! Hopefully, he says, this surgery will prolong his golf career. He wishes everyone a great Thanksgiving. Please keep Larry on your prayer list.

3. Jon Kilpatrick's wife Tina--I guess no news is good news, but to be honest, I didn't give Jon much time to respond to my text before writing this. Hopefully, Tina's still on track for recovery. Please keep Tina and Jon in your prayers.

4. Broward Davis--on voice mail today, I passed along Happy Thanksgiving wishes from all of you. Today is one of Broward's dialysis days, so it's not surprising to not hear from him.

Respectfully submitted,

Craig Kirkpatrick

Children's Book Drive for WCCA

By Mary Ellen M Kustin on Sunday, October 31, 2021

Western Carolina Community Action (WCCA) is requesting donations of children's books in English and/or Spanish. Kids' early experiences shape what they imagine to be possible, so it is incredibly valuable for all children to see themselves reflected in books. If you'd like suggestions for books to donate, here's a book list from Reading is Fundamental: <https://www.rif.org/literacy-central/equity-collection>.

Please participate in our book drive one of two ways anytime **before November 30**:

1. Drop off gently used or new children's books in the weatherproof book bin on the front stoop of 1618 Orleans Ave in Hendersonville or
2. Order books online and have them shipped to:

NOVEMBER IS ROTARY FOUNDATION MONTH

"We have the choice to use the gift of our life to make the world a better place."
- Jane Goodall

The Rotary Foundation

TOGETHER, WE CHANGE THE WORLD

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace. Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.....
