11-01-21 President's Update

By Keith E Logan on Saturday, October 30, 2021

Just a little over a week until we begin meeting in person again! Less than half of the club has responded to the very quick survey. If you have not yet done so, please indicate your plans at: <https://forms.office.com/r/di4urZE9qE>. Just enter your name and whether or not you are planning to attend in person starting Nov. 9. If you select **Yes**, the question about food choices will appear. If you select **No** to attending in person, then that's it. If you don't let us know your plans, then we won't be able to order a box lunch for you. You are still welcome to attend but the only way we know how many lunches to order is by this survey. Many of you are still not ready to attend in person so we plan to continue to have a Zoom option. We'll be testing that out in this week's meeting. Look forward to seeing you in person or on Zoom on Nov. 9.

Care & Concern, 10/30/2021

By Craig M. Kirkpatrick Jr. on Saturday, October 30, 2021

Here's the Care & Concern report for this past week: 1. Ron Holt--Ron continues to make good progress. Next Wednesday, November 3rd, he'll get his stitches out at Chapel Hill. Then, in late November, Doctors will evaluate how well he's doing after looking at x-rays, etc. They'll do this via Facetime, hopefully saving another trip to Chapel Hill and back. Please pray things continue on track for full recovery.

2. Broward Davis--I was able via voice mail to leave a message outlining how we were to meet in person November 9th at Grace Lutheran Church, the Veterans Day program on that day and the meal situation. While Broward in the past has expressed some reservation about meeting in person because of his health situation, we hope he feels confident enough to join us. Thanks for all your prayers in the past for Broward.

3. Jon Kilpatrick's wife, Tina--Jon verified via text that things are steadily improving with Tina. She will meet with her doctor in about a month to gauge overall progress. Let's all pray all follow on reports are good, very good!

Respectfully submitted,

Craig Kirkpatrick

Western Carolina Community Action (WCCA) is requesting donations of children's books in English and/or Spanish.

Kids' early experiences shape what they imagine to be possible, so it is incredibly valuable for all children to see themselves reflected in books. If you'd like suggestions for books to donate, here's a book list from Reading is Fundamental: <https://www.rif.org/literacy-central/equity-collection>.

Please participate in our book drive one of two ways anytime **before November 30**:

1. Drop off gently used or new children's books in the weatherproof book bin on the front stoop of 1618 Orleans Ave in Hendersonville

or

2. Order books online and have them shipped to:
