Aug 19 Meeting

By Robert Engstrom

The next Blue Ridge Honor Flight will be on Sept 21st, and members are asked to come to the Asheville Airport around 7pm to help welcome the veterans home. The Pop Up Service project at the Aug 19 meeting was to write letters to be given to each of the veterans thanking them for their service! We also made a contribution to Blue Ridge Honor Flight to sponsor one veteran and one guardian on this next flight.

We are creating a "Four Way Test" program at Bruce Drysdale Elementary with kindergarten teacher Lucy Brooks...would you be willing to help? If so, please let President Melissa know! Dick Miley distributed "assignment sheets" for the Tour d'Apple bike ride on Labor Day. He asked members to take a volunteer shirt to wear. In addition to the assignments already made, he is also looking for help on the Tuesday after the event to help unload and store equipment.

BRCC Rotaract Update

By Cristina Hull

An organizational meeting was held at Blue Ridge Community College (BRCC) to renew the school's Rotaract Club. Cristina & Kevin attended the event and collected more than 30 names of potential new members! We will keep you posted as future meetings and events are scheduled!

Passport Club Update

From Mary Davis:

We had a great first meeting at Wild Wing Cafe on Long Shoals road on Aug 13, and look forward to meeting again at our new venue! We secured our recurring reservation with the manager, Matt, and are all set to meet there again for our next meeting on 8/27. A big thank you to Ronnie Reid for setting this up!

The club members in attendance discussed ways we could consider growing our Passport club while also getting more involved with other clubs in the area. We thought a great way to do this would be to take turns visiting other clubs to let them know we are available to help with their projects, and to share a bit about our unique model. The group decided to target the clubs in Buncombe, Transylvania, Henderson, and Haywood counties.

The Passport Club currently has 10 members and is looking to double before the end of December in order to charter into a new club. If you know someone who would make a great member, please invite them to one of the upcoming meetings at Wild Wing - Aug 27, Sept 10 or Sept 24!

Caribbean Cruise for Polio-February 2020

By Katherine Morosani

Escape the chill of winter, have fun cruising with family & friends, and help Rotary eradicate Polio! February 2-9, 2020

From Norwegian Cruise Lines: "Give us seven days and we'll give you a Caribbean vacation to remember on our newest, most innovative ship yet, Norwegian Encore. Cruise round-trip from Miami, making your first stop in San Juan. There, behold the majestic El Morro, the oldest Spanish fort in the New World. Continue on to St. Thomas to lounge on pristine beaches or climb to the top of Blackbeard's Castle, a lookout the famous pirate allegedly used in the 18th century. And when you reach Tortola, British Virgin Islands, visit Government House, a great example of colonial architecture and a stately relic of a former empire."

To help in this great cause, there will be a \$100 per person donation made to the End Polio Now Campaign for everyone joining us on this cruise. We will also have a group cocktail party during the cruise - a great opportunity to meet and mingle with your fellow group members - and an informative Polio Plus seminar to hear the latest news for this campaign.

Contact PolioPlus district chair Katherine Morosani kmorosanirotary@gmail.com or 828-242-2555 for more information!

Rotary Cinderella Project

Thanks to the generosity of our riders in this year's upcoming Tour d'Apple, we were able to make a donation to Interfaith Assistance Ministry to provide 50 children in Henderson County with new shoes for back-to-school! Thank you to Dick & Barry for their hard work on this event, and for making this project come true. The #RotaryCinderellaProject is an idea of our District Governor Tiffany Ervin (a member of our club) for every club in our district to provide shoes for a group who needs them, and our club was the first to complete a project this year! DG Tiffany and President Melissa helped present the check to IAM Executive Director Elizabeth Moss.

August - Membership Month

Congratulations to Past District Governor Isaac and Past District Membership Chair John Yermack on an amazing finish to the 2018-19 Rotary year. We are excited to announce a positive growth in membership for the first time in many years - finishing +43 members in District 7670! And we are off to a great start for the 2019-2020 year too - we are +15 as of August 15! Thank you for helping us "Grow Rotary" as RI President Mark Maloney has asked us to do. I
