## Four Seasons Rotary Shack In The Back-Sunday, July 12

By Tiffany Ervin on Sunday, July 12, 2020

Thanks to everyone who was able to attend this year's "Shack in the Back" end of year celebration for Four Seasons Rotary. A huge congratulations to Immediate Past President Melissa who finished the year strong and a special thank you to everyone who helped us be so successful.

Melissa thanked last year's board members and "passed the gavel" to officially install Chris as the 41st president of Four Seasons Rotary. Chris installed the officers for 2020-21, including President-Elect Grant, Secretary Donna, Treasurer Corey and Immediate Past President Melissa, as well as other committee chairs.

A Paul Harris Fellow +1 was presented to Melissa for her support of The Rotary Foundation.

Chris & Melissa's daughter, Emily, has moved back to Hendersonville to begin a new job at the Henderson County Partnership for Economic Development. She was a guest at

"Shack in the Back" as a prospective new member!

President Chris hopes to be able to host hybrid meetings this month beginning July 20 - meeting somewhere in town (details TBA) AND with an online link for those who choose to tune in via Zoom.

## Rescue Mission Servers 2020-2021

By Robert Engstrom on Saturday, July 4, 2020

It's that time of year again - our club has committed to another year of service at the Hendersonville Rescue Mission. I was there the last Saturday of June and they seem to be doing a good job of social distancing. You must wear a mask to enter the building, they supply disposable gloves, and they have installed a plastic shield in the serving window to keep you separated from those being served lunch.

Our regular day will continue to be the 4th Saturday of each month. You should plan to arrive by 11:45am and should be done in an hour or less. We need two volunteers each month, so please consider signing up yourself and bringing a family member. Or you can work with another club member.

[You can access the signup sheet by clicking here.](#) You can select the date you want to volunteer, and you can go back and make changes anytime. You will also receive an automatic email reminder (to the email address you use to log i) 3 days before your shift.

Don't forget to wear your Rotary attire too! Go ahead and choose your shift now! Thanks!

It may be some time until all Rotarians are comfortable with attending "in-person" Rotary meetings like we have always had. In the meantime, some clubs are considering "hybrid" meetings where some members meet in person and others join virtually via real-time conferencing apps such as Zoom or GoToMeeting.

[This guide](#), developed by PDG Terry Weaver of Greenville, SC, will save you countless hours of research and trial-and-error. It has excellent examples and suggestions, so please consider investing the time to read through it and you'll be halfway to getting your Hybrid Meetings strategy launched!

## Young At Heart: Meet new RI President Holger Knaack

By Tiffany Ervin on Monday, July 13, 2020

YOUNG AT HEART (From the most recent issue of The Rotarian magazine)

Holger Knaack has a fresh vision for the Rotary of the future. With a little help from his friends, things should goswimmingly...

There's a German phrase: man holt die Leute ins Boot. It means getting people on board to work together toward a common goal. In the coming year, Rotarians will find that Holger Knaack is not one to stand on the sidelines while others do the work. But equally important for Knaack is the philosophy that working hard doesn't mean you can't also have a good time. As he spends this year getting people on board especially to carry out his highest priority, investing in young people he will also be doing his best to make sure everyone is enjoying themselves.

Holger Knaack is an atypical Rotary president, and not just because he wears jeans and eschews ties much of the time. He's the organization's first German president, and he came to that position in untraditional fashion. Unlike many of his predecessors, he didn't rise step by step through the ranks of Rotary offices. He served as club president and district governor, but he had held only one Rotary International post, that of training leader, before becoming director. And he remembers being at a Rotary institute where people asked him what other district offices he had held before becoming governor. I said, None. None. All of them were very surprised, he recalls.

## Virtual Meetings - Kick 'em up a notch!

By George David Waechter on Sunday, July 19, 2020

It is extremely important that our clubs feel comfortable setting up virtual access for members. Rotarians have been socially distancing for months, and giving them a relatively easy way to engage with their clubs is imperative in our effort to retain all of our members. Additionally, distant members want and deserve to feel connected during their club meetings. We are sharing the following resources for clubs to make it easier for clubs to set up virtual meetings and to empower them to make lasting change in meeting formats. Ultimately, this type of evolution can lead to new club models and more vibrant membership overall. [Read More](#)
