## Rescue Mission Servers 2020-2021

By Robert Engstrom on Saturday, July 4, 2020

It's that time of year again - our club has committed to another year of service at the Hendersonville Rescue Mission. I was there the last Saturday of June and they seem to be doing a good job of social distancing. You must wear a mask to enter the building, they supply disposable gloves, and they have installed a plastic shield in the serving window to keep you separated from those being served lunch.

Our regular day will continue to be the 4th Saturday of each month. You should plan to arrive by 11:45am and should be done in an hour or less. We need two volunteers each month, so please consider signing up yourself and bringing a family member. Or you can work with another club member.

[You can access the signup sheet by clicking here.](#) You can select the date you want to volunteer, and you can go back and make changes anytime. You will also receive an automatic email reminder (to the email address you use to log i) 3 days before your shift.

Don't forget to wear your Rotary attire too! Go ahead and choose your shift now! Thanks!

## Tour D'Apple 2020-What will it look like?

By Richard E. Miley on Thursday, July 2, 2020

Unlike so many canceled events, Four Seasons Rotary Club's Tour d'Apple will take off on Labor Day, September 7, from 7:00-10:00 am (rolling start) from Blue Ridge Community College! Participants will help bring the economy roaring back with a great ride around the apple orchards and beautiful mountains of Henderson County, NC.

But, as you can imagine, we must plan carefully to accommodate safety guidelines. [Read more here.](#)

### New for 2020!

- ◆ Custom Tour d'Apple buffs will be given to the first 350 participants to register!
- ◆ We are also offering a Virtual event experience so you can participate in this triathlon event ANYWHERE! Ride from your home, the park, or anywhere else and submit your results online!
- ◆ Have your packet and swag shipped to you before the ride! If you'd like to avoid packet pickup altogether, or if you're traveling in from out of town, you can receive your swag in the mail prior to ride day for \$10. The protocol is designed to ensure the safety of all participants, guests, volunteers, and staff, and is subject to change based on updated guidance from governments and/or industry best practices.

## Hal Manasa-Newest Paul Harris Fellow

By Tiffany Ervin on Wednesday, July 1, 2020

We were pleased to recognize Rotarian Hal Manasa as the newest Paul Harris Fellow in our club. Hal joined Four Seasons Rotary in June 2018 and has volunteered at numerous activities during his short time as a member.

Continuing the legacy of the founder of Rotary International, the Paul Harris Fellow program recognizes individuals who contribute, or who have contributions made in their name, of at least \$1,000 to The Rotary Foundation. The honor was established in 1957 to show

## Birthdays

appreciation for contributions that support our Annual Fund, PolioPlus or an approved Foundation grant.

Hal has a background in public accounting and internal auditing, and lives in Hendersonville with his wife, Norma. We appreciate Hal's commitment to "service above self" and doing good in the world.

## Thank Y'all...from DG Tiffany

By Tiffany Ervin on Tuesday, June 30, 2020

I couldn't let this year end without saying one more time... thank y'all for the opportunity to be your district governor this past year. I appreciate the dedication, sacrifices and contributions of each and every one in District 7670, and hope I have made you proud to be a Rotarian.

Our "Southern Fried Rotary" theme was intended to highlight Southern style and service, and you certainly did that! Our goals - to have fun and do good in the world - well, you far exceeded those expectations! If you have earned the SFR lapel pin but not received it yet, please let me know... I will be mailing or delivering those (depending on what

is allowed) this summer!

My goal was to measure this year in memories rather than miles...and we did that too! We amassed more than 50,000 miles around our district (while staying at home the last 3 months!), and I couldn't have done that without the donated Ford Fusion from Larry Hinton (Sylva Rotary) and [Andy Shaw Ford](#). But the memories...those will last forever, along with your incredible friendships.

I know our district is in good hands with future leaders like David, Ken and Tammy, as well as so many others, and I will do my best to continue making an impact and helping create lasting change both here at home and around the globe.

We had an amazing "virtual" celebration Sat night and many of you have asked about the videos we shared. Once vacation is over, I'll be uploading those to YouTube and will make sure you get the links! I am grateful for all the #peopleofaction and fellow #RotaryGeek friends I have here in WNC.

Love,  
DG Tiffany

## Four Seasons Rotary Honors Health Department Essential Workers

By Tiffany Ervin on Saturday, June 20, 2020

Four Seasons Rotary Club has a long history of working with Henderson County to address critical needs, so when members wanted to do something special for essential workers in the area during this pandemic, serving those employees was an easy decision.

President Melissa Johnson and DG Tiffany delivered #BreakfastWithTiffany to more than 90 employees of the Henderson County Health Department. The breakfast sandwiches were donated by McDonalds, which is owned by Sen. Chuck & Teresa Edwards. Sen. Edwards is a proud Rotarian, and his wife Teresa is a proposed member as well. The club is proud of the partnership with both Henderson County government and the local McDonald's family!
