5th Monday at The Storehouse

By Tiffany Ervin

Traditionally, our club plans a special event for every time there are FIVE Mondays in the same month. November is no exception...

Join us Monday, Nov. 29, at 5:30pm at The Storehouse (1049 Spartanburg Hwy in Hendersonville). We have partnered with Lynn and the folks at The Storehouse previously and this week we will announce our plans to support their Blessings in Boxes again this holiday season.

Lynn will give us a "behind the scenes tour" of the facility and share how they are providing much-needed assistance in our community with kindness and dignity. She has various volunteer opportunities available that she will tell us about as well.

After the tour, anyone who is available will go to dinner nearby and enjoy some holiday fellowship. We hope to see you at The Storehouse - don't forget to wear your Rotary attire!!!

Wells for Nora

By Tiffany Ervin on Tuesday, November 23, 2021

We were pleased to hear from Bob Massey (Rotary Club of Murphy) and Sarah Leatham (Rotary Club of Hendersonville) sharing the story of a nine year old girl (Nora Starks) who gave up her savings to buy Bibles for a new church. At age 17, Nora started a well project in Kenya to help bring clean water and better the lives of people in need. Nora was a close family friend of Bob, and shared his personal and heartfelt stories of their friendship. Unfortunately, her life was cut short by a car accident on the night of her high school prom. But today, her legacy is being kept alive by building a well each year in her memory.

Bob and members of the Rotary Club of Murphy are seeking to continue Nora's Service Above Self life by partnering with LivingWatersCanada (an NGO) to have a new well dug each year in her memory. His tribute to his friend's legacy of doing good in the world at whatever age is an inspiration to all.

The opportunity exists for our club to partner with Murphy Rotary on a district grant in 2022-23 with a minimal contribution should we so choose.

Rotary Tshirt Quilt

By Tiffany Ervin on Tuesday, November 16, 2021

Look at this beautiful quilt given to PDG Tiffany in honor of her year as District Governor in #Rotary7670! It was made by PDG Billi Black (RC of Franklin Daybreak) out of tshirts from various club events, fundraisers and activities during 2019-2020.

This will be a lifetime keepsake of memories from a remarkable (albeit shortened) year of service.

Nov 15 - Beyond the Uniform...What Veterans Want Others To Know

By Tiffany Ervin on Wednesday, November 17, 2021

Our own Angela Vaughan was our speaker on Monday, Nov. 15, to present a very special program in honor of Veterans Day. Angela is a US Marine and an active volunteer with Blue Ridge Honor Flight.

Angela addressed many misconceptions about the armed services, including:

- *Not all veterans are soldiers (only if they were in the US Army)
- *Reservists are a component of military service
- *Not everyone is in infantry, but all positions have leadership roles regardless of rank
- *Military service changes people - it's a permanent change and it's okay
- *There is also a huge responsibility undertaken by the family of service

members

A native of Henderson County, Angela is a previous (and future!) member of our club and was also a charter member of the WNC Passport Rotary Club.
