Discover Toastmaster: Attend a Joint Rotary-Toastmasters Meeting on December 21

Our Members and Four Seasons Toastmaster join together to learn about the Rotary-Toastmasters Partnership in a joint meeting in which our members will experience a weekly Toastmasters meeting. During this joint Zoom meeting, members of both Clubs will discover much more about the international Rotary-Toastmasters Partnership. In 2020, Rotary International and Toastmasters International agreed to partner to enhance both groups' service to others.

## Tour d'Apple Funds Winter Coats for Children - Cyclists donate record amount for charitable needs

By Tiffany Ervin on Monday, November 23, 2020

At least 80 local children will receive new winter coats this season thanks to the generosity of participants in the 8<sup>th</sup> Annual Tour d'Apple bike ride sponsored by Four Seasons Rotary.

When cyclists registered for the event, many of them made extra contributions above and beyond their registration fees, and these funds were recently donated to Interfaith Assistance Ministry (IAM) to purchase winter coats. It is amazing that even with fewer cyclists on Labor Day this year compared to years past, the extra amounts donated by cyclists more than doubled the 2019 amount, said Barry Macdonald, co-director of the Tour.

Last year we purchased new shoes for back-to-school, and this year we decided on winter coats in honor of our Rotary District Governor David Waechter who asked all forty-nine Rotary Clubs in Western North Carolina to help provide winter coats for those in need, he added. This year's contributions totaled \$1,043 given to IAM, and we appreciated David joining us for this special occasion.

The Rotarians were also joined by Randy Hunter of Hunter Subaru, title sponsor of the Tour, to present the check to IAM for the purchase of winter coats for children in need for the upcoming winter.

The need is greater than ever before and this donation is so generous and will us help to continue helping the thousands of children and adults who are struggling so hard throughout COVID, explained Elizabeth Willson Moss, IAM Executive Director. We are so blessed to have this generous community and Four Seasons Rotary Club.

## Birthdays

Dick Miley, co-director of the Tour, said even when COVID-19 forced the cancellation of most every other cycling events in western North Carolina this year, the Tour d'Apple not only happened but exceeded expectations thanks to sponsors like Hunter Subaru. Without Randy and the continued support by Hunter Subaru, there wouldn't have been a Tour d'Apple this year, and without the Tour d'Apple, there would be no support for these winter coats, so we are very grateful for their support.

## 10 Million Meal Challenge for the Holidays!

By Alex R Portelli on Sunday, November 8, 2020

Your District 10 Million Meal Champions continue to excel in their work! With the approaching holiday season, we need all of our Rotarians to help give us a boost to bring Holiday Cheer to those in need!

Continued covid restrictions will have an adverse impact on many organizations and restaurants that traditionally sponsor meals or food drives during this time. As you continue to assist your 10 Million Meal Club Champions, I'd ask that all of you think outside the box for ways that we can increase our efforts during the holiday season. If you know of an organization or restaurant that is canceling its holiday meal drives due to covid restrictions, reach out to see if you can partner with them to make those events happen!

Know of a restaurant owner that can't afford the food needed to run a holiday relief kitchen? As a Club, why not offer to cover the costs of foodstuffs if the restaurateur can make his/her kitchen and restaurant available to prepare and distribute meals? Are organizations that support holiday food drives or meal events shorthanded? How about partnering to share duties and still have the event occur?

Now is also the time to keep your eyes open for the seasonal grocery store buy-one-get-one (BOGO) offers! A great way to get a drive or meal event going is to donate the free item! BOGO on canned and dried goods? Get the BOGO and donate the free item to a food drive or holiday meal event!

District 7670 is doing great things nationally and internationally. Let's redouble our efforts on the homefront in the spirit of holiday giving and support those who are less fortunate this season. For many people, a warm holiday meal or food donation, prepared by caring hands and from the heart, can make all the difference in the world!
