Member Updates

By Tiffany Ervin on Sunday, November 8, 2020

Please keep Lee Mager (& wife Janice!) in your thoughts & prayers as he suffered a heart attack last weekend. He reports that he's feeling much better other than a large bruise from the cardiac catheterization. Glad to have him home recovering!

President-Elect Grant has been admitted to Advent Health after being diagnosed with COVID-19. He reports difficulty breathing and says medical personnel is working on his oxygen levels. Please keep him (& Leslie!) in your thoughts & prayers also as he faces this horrible disease!

We are sorry to report the resignation of Kathy & Eddie Watkins from our club. Their schedule no longer allows them to attend and be active, but we look forward to seeing them around town and hopefully getting them to some of our events and service projects when we are all able.

We are happy to report the re-opening (finally) of Bart Coates' business, The Brandy Bar, which has been closed during the entire pandemic due to government regulations for bars. Please support them when you can as they attempt to rebound from 8 months of no business.

Thank you to our own PDG Bill Biddle for sharing the mission of The Rotary Foundation and how we might make a difference both here at home and around the globe. Don't forget November is "Foundation Month" and you can make your donations online if you aren't already. Every dollar makes a difference and helps "create lasting change."

What you always wanted to know about the Rotary Foundation - With Anne Matthews!

By George David Waechter on Saturday, October 24, 2020

Anne Matthews is one of the most remarkable leaders in Rotary today. She has used her experience as an educator to train Rotary leaders, and her passion for The Rotary Foundation to promote its worth and to help develop the format for the New Foundation. We are extremely fortunate that she will join us by Zoom on November 12th to speak on the subject of ♦What you always wanted to know but were afraid to ask about the Rotary Foundation.♦ This is open to all Rotarians in the district and many clubs have moved their meetings that week to Thursday to take advantage of the opportunity to hear Anne speak.

Who is Anne Matthews? She began attending Rotary club meetings in 1989, on the recommendation of her minister, becoming the first female member of her club (Rotary Club of Columbia East). It wasn't long before she became actively involved in her club becoming its first female president. Ten years after joining Rotary she became the first female Governor of District 7770, embracing the CART Fund as a district wide project and awarding the first CART grant of \$100000. 13

years later she began her term as the first female vice president of Rotary International.
