News for Thursday, August 27

Hello Fellow Rotarians,

I hope this note finds you safe and well.

We had a **great Club Assembly last week**. It's amazing to see how the different parts of our Club come together to keep the Rotary wheel going. Thanks to our officers, directors, and members for their efforts.

Members can increase their engagement by working in Community Service, DEI, Youth Services, and other areas of interest. I encourage you to **reach out to our Chairs** to participate. They will greatly appreciate the help.

This week our **guest speaker will be Wesley Myers, Executive Director for The Center for Domestic Peace**.

We have an **Island Clean Up this Saturday at 8 AM**. Dale Connor has reported that the islands are in poor shape and need a lot of attention. This is **a great opportunity to fellowship with other Rotarians and to serve our community!**

We have had great virtual programs for the past couple of months, but the last few have run a little long on time. Beginning this week, our weekly meetings will begin promptly at noon. We will make every effort to conclude our meetings by 1 PM.

Yours in Rotary Service,

Joe

Here's the Link to Click On, to Join Our Zoom Meetings

To join our Zoom Meetings using your computer, tablet or smartphone, click on the following link.

Or copy and paste it into your web browser's address bar, if clicking on the link doesn't work.

Adding an Icon for DACdb Mobile on your Device

By Scott Baker

Adding an Icon for DACdb Mobile on your Device

DACdb Mobile is not an "app" - it's a *website* just like the main version of DACdb - except it has been optimized to work on mobile devices.

If you want to put an icon/shortcut to the DACdb Mobile website on your smartphone...

iOS (iPhone)

If using Safari then go to DACdb Mobile (<http://m.dacdb.com/>), tap the "share" icon (the square with the upward pointing arrow) to the right of the Address field, and on the popup tap 'Add To Home Screen' on the bottom row of icons.

Android Phones

Launch Chrome for Android and go to DACdb Mobile (<http://m.dacdb.com/>). Tap the menu button and tap "Add to homescreen". You'll be able to enter a name for the shortcut and then Chrome will add it to your home screen.

Webmaster approved!
