## News for Thursday, September 17

Hello Fellow Rotarians,

I hope this note finds all of you safe and well.

Another **great program last week**. Many **thanks to guest speaker Jim Buchanan** for sharing stories and tales from years past about Sylva and Jackson County. It was impressive that Club members **Phil Haire** and **Ron Rhodes** also have knowledge of the legends and lore that have shaped our local communities.

**This week, we are honored to have District Governor David Waechter** speak to our Club. David is passionate about Rotary and will be presenting a program supporting the Rotary International theme for the year ... Rotary Opens Opportunities. I highly encourage all Sylva Rotary Club and Sylva Satellite Club members to **join the Zoom meeting and support our District Governor**.

Our Club needs your help. Dogwood Health Trust has doubled the incentive for Census 2020 submissions. **For every person counted, our Club will now receive \$20**. This opportunity ends on September 30, so please respond to Dale Connor or Vance Davidson with your census information. The exercise takes 5-10 minutes, and if you have a family of four, that means \$80 to our Club.

I leave you with a quote from District Governor David Waechter:

"Hope is like a path in the forest. If you lead, you are the first to clear that path. You may feel lonely. You may or may not see it become a well-worn path, but that doesn't matter, others can see where you have been. They can follow the path, keep it worn, and make sure the future will be different."

Yours in Rotary Service,

*Joe Rigdon*

## How Can I Do Video Make-ups of Club Meetings?

By Scott Baker

Great question! We are recording all the virtual meetings for the club. You can get a make-up AND stay current on club happenings by watching. You get to report a make-up for watching as well! Win-Win!

Go to <http://www.sylvarotaryclub.org/video-podcasts.php> to get to the list or click the link from the menu in the graphic above on the club web site. The videos are on the club's YouTube channel but only accessible via the link on this page. If you have any questions please contact webmaster Scott Baker.
