News for Thursday, Feb. 11

Hello Fellow Rotarians,

I hope this note finds all of you safe and well.

It is always a great day in Rotary when **we welcome a new member** to the Club. Former member **Sara Crawford** is coming back to the Sylva Rotary Club after changing career paths. We are very **glad to have her back** with us. I hope you will join our Thursday meeting for Sara's induction.

Our **guest speaker this week will be Pam Meister, Director of Mountain Heritage Center**. Pam will share updates about upcoming virtual and physical exhibits and programs. And if time permits, she may tell stories about the local women's suffrage movement in 1920 or about African American community history. Plus, she has encouraging **news about Mountain Heritage Day** to pass along. This is sure to be a very informative and entertaining program.

Rotarian Ben Pendry shared with us that **WCU has been approved to be a Regional Vaccination Clinic and is looking to fill multiple temporary positions** at the clinic as quickly as possible. If you or someone you know is interested and want to learn more, visit JOBS.WCU.EDU.

I look forward to seeing you Thursday at noon via Zoom.

Stay Safe, Stay Well, Stay Engaged.

Joe

How to add reactions in a Zoom meeting

By Scott Baker

If you'd like to add virtual reactions in a Zoom meeting, then at the bottom of meeting window you'll see a button for Reactions. Click on this and choose the reaction of choice. In your window pane in the meeting grid this reaction will appear for 5-7 seconds for all participants to see.

How Can I Do Video Make-ups of Club Meetings?

By Scott Baker

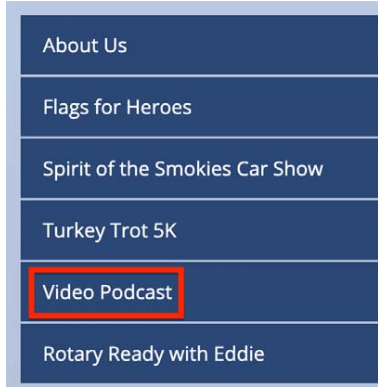

Great question! We are recording all the virtual meetings for the club. You can get a make-up AND stay current on club happenings by watching. You get to report a make-up for watching as well! Win-Win!
