News for Thursday, Feb. 18

Hello Fellow Rotarians,

I hope this week's Rotor finds everyone well.

Our virtual meetings have been vital to the connectivity and engagement of our members during the pandemic. We've had great interactive programs with dynamic speakers. I want to encourage our members to **share ideas for future meetings**. If there is a topic or speaker that you would like to recommend, please reach out to me.

We've also seen a recent increase in guests and prospective members. I encourage you to **continue to invite friends, co-workers, and business contacts to join us for a Club meeting**. Membership Chair **Brett Woods** will gladly provide prospective members with information to help them determine if Rotary is the right service organization for them.

Club Member **Carr Tyndall will deliver our program** this week. Carr works at Jackson Paper and **will share the history and recycling efforts of the paper mill** that has been an employer and community partner for nearly 100 years. I hope you will join the meeting to support Carr.

As always, our Club meeting is Thursday at noon via Zoom.

Stay Safe, Stay Well, Stay Engaged,

Joe

How to add reactions in a Zoom meeting

By Scott Baker on Thursday, February 4, 2021

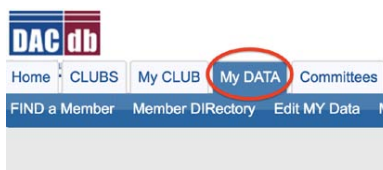

If you'd like to add virtual reactions in a Zoom meeting, then at the bottom of meeting window you'll see a button for Reactions. Click on this and choose the reaction of choice. In your window pane in the meeting grid this reaction will appear for 5-7 seconds for all participants to see.
