News for Thursday, Sept. 30

Hi Everyone --

This is a reminder that there is **no Thursday Noon meeting** this week.

We wish to thank all who attended the **big membership drive we held with the Chamber last week** and those who worked to make it possible. It was well attended and **a number of attendees expressed interest** in joining the Noon or Satellite sections of our Club.

See below for dates to remember for October. Please note that **October activities are not on a usual schedule**, so mark your calendars accordingly:

Project F.I.R.E, this Saturday, October 2 ♦ It's that time of year again when we get to help needy Jackson County residents to heat their homes. F.I.R.E. (Fuel Intervention for Rural Elderly) is a program of volunteers who cut, split, and deliver firewood to low income seniors who depend on firewood for their primary heating and/or cooking fuel. See the article below for details, and see you this Saturday morning at the Cullowhee United Methodist Church!

Satellite meeting, October 5 ♦ Please join the Satellite club for a meeting in the pavilion of The Papermill Lounge.

Hands On Jackson, October 14 ♦ Many club members have signed up to help with this county-wide volunteer project. There will be no Noon meeting.

Noon Meeting, October 21 ♦ Rotarian and author Terry Lewis from Tallahassee will speak on the topic of "The Revolution Within the Revolution Which Resulted in the Declaration of Independence."

Island Beautification, October 23 ♦ Please join us at 8 a.m. to continue beautifying the island. More info on this as date gets closer.

Noon Meeting, October 28 ♦ Borgen Project Ambassador Katie Lynne Butler will speak about how the project is addressing **global poverty**.

Thanks to each of you for continuing to **support Rotary and its mission!**

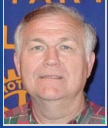

Yours in Rotary service,

Nancy and Jim
