News for Thursday, Oct. 28

Hi Everyone,

Our noon meeting is this Thursday, October 28, in our usual meeting room at the Department of Aging, and on Zoom. Our guest speaker is **Katie Lynne Butler**, who is the **Borgen Project Ambassador at Western Carolina University**, who will tell us about how the project is addressing **global poverty**.

This should be a very informative presentation, with a subject that all Rotarians have been addressing for quite a while.

We would **love to see you in-person**, but if you would prefer to attend the **meeting via Zoom**, here are the technical details you'll need:

Join Zoom Meeting using your **web browser**:

We want to give a HUGE shoutout to **George Neslen**, owner of Creekside Oyster Bar and Seafood. George **donated 10% of all profits** this past Saturday to the Rotary End Polio project. No word on the amount yet. At 7:00 p.m., there was a one hour waiting list!

Here's a big **shoutout to our members who helped with the Rotary Traffic Island beautification** this past Saturday.

Probably everyone knows by now that Bogarts will not reopen. Unfortunately, our Rotary Traffic Island may not survive the state taking over a huge chunk of that area to widen the intersection. This won't occur for several more years, though.

As always, we encourage our noon-time members to **attend the Satellite Club meetings. The next such meeting is November 2** at the end of the day, at the Paper Mill Lounge. Please make a point to come out and support our Satellite Club, the "best satellite club in the world."

Thanks to all of you for supporting Rotary and its mission!

Yours in Rotary Service,

Jim and Nancy
