Rotary International’s Theme for 2021 – 2022 - “Serve to Change Lives”

Rotary Quote of the Day

“The Rotary ideal is that within us that makes us know that when we are serving others we are building ourselves.”
Harry Rogers, President Rotary International 1926/1927

CART Fund

Every week we have these pretty blue buckets on the table – they are to collect your “coins” for Alzheimer’s Research Trust Fund. Thank you for your donations to CART. Making a difference!

One hundred percent (100%) of donated funds go to cutting edge Alzheimer’s Disease research. As of May 2020, CART has awarded **\$9.2 million dollars in 55 grants** to recognized US research institutions. All administrative expenses of the Fund are paid from interest earned from invested contributions.

Last week:

We enjoyed our weekly meeting #10 of the Rotary year in person at the Indian Trail Town Hall. 17 Rotarians in attendance plus our speaker and 1 prospective member (Clarence Alsobrooks)

Our scheduled speaker was Brian Matthers, Assistant Union County Manager. He spoke to the club about the many county projects being established such as: Litter Task Force; School Siting Requirements; Increased Rural open space areas; Funding for broadband expansion; well testing for new homes. Transition zones for “donut” areas; cluster allowance where utilities are present. He spoke of the growth and all the construction going on in our county.

September’s Rotary theme is:
Education and Literacy

Rotarians are making an impact to make our world a better place.

The **Rotary Foundation** supports education through scholarships, donations, and service projects around the world.

Teaching adults to read: Rotary members in the United States partnered with ProLiteracy Detroit to recruit and train tutors after a study showed that more than half of the local adult population was functionally illiterate.

New teaching methods: The SOUNS program in South Africa, Puerto Rico and the United States teaches educators how to improve literacy by teaching children to recognize letters by sounds instead of names.

Making schools healthy: Rotarians are providing clean, fresh water to every public school in Lebanon so students can be healthier and get a better education.
