B2SB had its inaugural event on August 2, 2014 and served over 4000 people in Indian Trail, NC. Since then, thousands of students have received backpacks, school supplies, shoes, haircuts and food. The event is supported by local businesses, churches, and organizations who have partnered with B2SB to make this all possible.

Last week:

We enjoyed our weekly meeting #2 of the Rotary year in person at the Indian Trail Town Hall. Thank you to Hayden for setting up the coffee pot the night before.

We had 15 members in attendance. Our speaker was member Majid and his son who spoke to us about their company CEM and what they are working on. He spoke to us about change in the technology world and that change is critical.

Membership

Our club exists because of members that are willing to do, people of action. Volunteers who share their time and financial resources to help many causes such as Food for Families, Coins for Alzheimer’s Research Trust, Clean the Highway, Polio Plus, Rotary Foundation, Camp Duncan, Interact, Delivering turkeys and much much more. People of action! Making our world a better place. We are looking for new members, people willing to do, people willing to “service above self”. Who are you going to invite to become the next Rotarian?
