Rotary International's Theme for 2021 – 2022 - "Serve to Change Lives"

Rotary Quote of the Day

"When we help others, we often experience what has been called the "helper's high," as endorphins are released in our brain, leading to a euphoric state. The same reward centers of the brain seem to light up when we are doing something compassionate as when we think of chocolate." The book of Joy

ROTARY VOLUNTEERS NEEDED!

October 22

6-9 PM

Chestnut Square Park

Last week:

We enjoyed our weekly meeting #14 of the Rotary year in person at the Indian Trail Town.

Fellow Rotarian and Past President Ash Minor was our speaker and gave a very interesting presentation. We had 16 members in attendance.

Ash spoke to the club about the difference in a Financial Advisor vs a Financial Planner. He spoke about setting financial goals especially at a younger age but also as we become retired and told us that setting goals allow you to establish priorities as it relates to your money. He told us all to look at the full picture and to pay ourselves first.

Thank you Ask for a very informative presentation.

"On October 24th, World Polio Day, we will celebrate our tremendous progress in the effort to eradicate polio. But we also know that the fight isn't over. We still need your help in raising funds and awareness to ensure all children are immunized against polio. Shekhar Mehta – Rotary International President

One of the ways our club is helping donate to this important cause of Rotary is by dedicating all "brags" and proceeds from the 50/50 raffle as a club donation specifically to Polio Plus in 2021
