Rotary Quote of the Week

“It’s up to us to ensure that more young people can experience the many ways Rotary Opens Opportunities for us and for the people we serve” Holger Knaack, President Rotary International

The next 'All-Rotarian Third Wednesday Zoom Call' with District Governor Mike Walker will be on Wednesday, September 16th from 5:00 to 5:45 p.m.

This month, among other topics, we will highlight fund raising projects and plans from clubs across the District. Like service projects, this was an ongoing concern from club leaders.
