Rotary Quote of the Week

*"Rotary is the one place where it does not matter who you are,
 Other than how you can use your skills, knowledge and abilities to be of service to others"*

Last week's meeting: Our last meeting 8/27 was our 20th Zoom meeting. President Andy hosted the meeting and we had 18 members in attendance and 1 perspective member. Members (7 brags) took the mic for their brags and will be billed in the future. This year all brags are designated for Polio Plus.

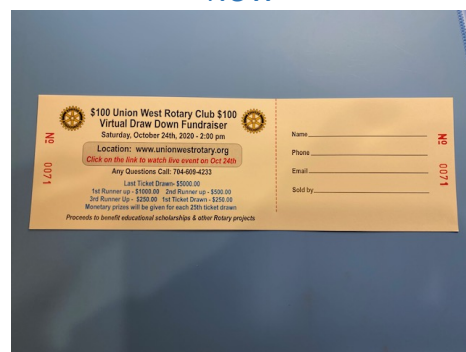

Our speaker was Jim Warren, Executive Director of the Carolina Raptor Center. He talked about the Raptor Center as well as what to do in the case of you find a raptor bird that needs saving. The Carolina Raptor Center is the largest Raptor Hospital in the US and helps rehabilitate over 1000 birds a year. He also discussed volunteer opportunities available. Visit their web site to sign up for volunteer opportunities.
