1+1 = 3

By Wallace E. Olson Jr. on Wednesday, July 15, 2020

I've read and taught Ray Dalio's Principles, and this one is a great example of how Rotary Clubs throughout the world accomplish so much. We're never just one person doing one action, we're always many Rotarians & Volunteers doing so much more than one person could ever do.

Two people who collaborate well will be about three times as effective as each of them operating independently, because each will see what the other might miss—plus they can leverage each other's strengths while holding each other accountable to higher standards. **#principleoftheday**

@rotarianvaburrell

Our club is still accepting new members, you can still apply to join our club and be part of the world movement.

Have a friend stuck in quarantine? What a better way to introduce him/her to Rotary than our very upbeat online meeting. Forward this bulletin to that person with your personal invitation to join us this Friday.

If you are interested, and plan on attending one of our Zoom meetings, please give us a courtesy heads up about attending, so we can let you into the meeting in a timely way.💎

We don't need to be meeting in person to perform "**Service Above Self**".

Interested, contact Membership Chair Bill Woodruff at Bill@ravenhurstllc.com
