Level: Advanced

Women account for less than 25 percent of Rotary's global membership, and are underrepresented in leadership positions at every level. Rotarians are ready to embrace change, as indicated by the record number of breakout sessions at the 2019 Rotary International Convention in Hamburg dedicated to the topic of women's advancement in Rotary's leadership. During one of these sessions, Rotarians Beth Keck and Todd Jenkins collected ideas from more than 500 members, both female and male, about how to take action and break down the barriers to women's advancement in leadership positions. Classroom Central School Supply Drive

By Jill Bastian on Wednesday, August 7, 2019

Meck South Rotary Classroom Central School Supply Drive August 9-23

Mecklenburg South Rotary will be hosting a school supply drive collaborating with Classroom Central. Classroom Central serves more than 127,000 students and their teachers across 6 school districts in 199 high-poverty schools.

Their mission is to equip students in need to effectively learn by collecting and distributing free school supplies to their teachers.

For thousands of children, basic learning tools are a luxury. In fact, more than 50% of the students in Charlotte-Mecklenburg, Iredell-Statesville, City of Kannapolis, Union, Gaston, and Lancaster, SC school districts come from families that can't afford lunch, let alone school supplies.

Moved by this need and the fact that teachers, on average, spend \$500 - \$1000 out of their own pockets each year to provide basic supplies for their students, the Charlotte Chamber and the Carolina Panthers founded Classroom Central in 2002.
