The Rotary Foundation Minute Week II

By Wallace E. Olson Jr. on Wednesday, September 9, 2020

HOW DID THE ROTARY FOUNDATION GET STARTED?

The Rotary Foundation was founded in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary to do good in the world. It has grown from an initial contribution in 1917 of \$26.50 from the Rotary Club of Kansas City, Missouri to more than \$4.4 billion dollars in total contributions. The Rotary Foundation made its first grant of \$500.00 to the International Society for Crippled Children in 1930, and to this day, it continues to do good in the world in the name of Rotary.

Thank you for supporting The Rotary Foundation and its work.

Our club is still accepting new members, you can still apply to join our club and be part of the world movement.

Have a friend stuck in quarantine? What a better way to introduce him/her to Rotary than our very upbeat online meeting. Forward this bulletin to that person with your personal invitation to join us this Friday.

If you are interested, and plan on attending one of our Zoom meetings, please give us a courtesy heads up about attending, so we can let you into the meeting in a timely way. ♦

We don't need to be meeting in person to perform **"Service Above Self"**.

Interested, contact Membership Chair Bill Woodruff at Bill@ravenhurstllc.com

Meck South Rotary small groups

By Debra L. Corbett on Wednesday, September 16, 2020

Howdy Friends!

We are entering round two with our Meck South Rotary small groups. Thanks to everyone for your feedback from round 1! How many of you read this email all the way to the end before looking at who is in your new group? Ha!

A few things to keep in my mind as we connect with our groups:

1. Join together - assume everyone wants to be active with the group and include everyone in your group on all communications regardless of their activity level.
2. Take action - don't wait for someone else to initiate the email or text saying hi to everyone and coordinating meeting times

3. Be generous- Be generous with your thoughts. Someone may not be quick to respond or even respond at all. Assume our members are doing the best they can, where they are, with what they have. We all have different circumstances that influence whether we meet in person, meet virtually, meet sporadically, or meet often.
4. Connect- the purpose of the groups is to provide a structure for us to meet with a small handful of members at a time. We get to learn about other Meck Southerners, have meaningful conversations, and do stuff together. I loved getting to know a new member and reacquaint with veteran members! If your group appears small or inactive, simply tap into another group to expand your interactions, but do not abandon your group. Keep reaching out!
5. Allow the bingo cards to guide your gatherings. It's simply a guide to help us all serve our club, be intentional with our actions, reach goals, and ultimately serve in the spirit of Rotary.
6. Enjoy! Have fun with the small groups and the bingo card!

Fee free to reach out to Todd Greene or myself with any questions.
