WHAT IS A MAJOR DONOR AND ARCH KLUMPH SOCIETY MEMBER?

Major Donor ♦ The Rotary Foundation recognizes individuals or couples whose combined giving reaches US\$10,000, regardless of the gift designation. This recognition level can be achieved only through personal contributions. Major Donors may elect to receive a crystal recognition piece and pin(s) commemorating the gift at each new recognition level. Since Rotary's Major Donor recognition began there have been over 30,000 Major Donors.

Arch Klumph Society ♦ Donors whose cumulative gifts total US\$250,000 or more are recognized as Arch Klumph Society members. Recognition includes an induction ceremony and your picture and biography in the Arch Klumph Society interactive gallery at the Rotary International headquarters in Evanston, Illinois, USA. Members also receive invitations to society events, along with membership pins and crystals that commemorate their giving level. Since the society's creation in 2004, there have been over 700 Arch Klumph Society members.

Rotary  can you help?

Our club is still accepting new members, you can still apply to join our club and be part of the world movement.

Have a friend stuck in quarantine? What a better way to introduce him/her to Rotary than our very upbeat online meeting. Forward this bulletin to that person with your personal invitation to join us this Friday.

If you are interested, and plan on attending one of our Zoom meetings, please give us a courtesy heads up about attending, so we can let you into the meeting in a timely way. ♦

We don't need to be meeting in person to perform **"Service Above Self"**.

Interested, contact Membership Chair Bill Woodruff at Bill@ravenhurstllc.com

Meck South Rotary small groups

By Debra L. Corbett on Wednesday, September 16, 2020

Feel free to send Wally Olson photos or stories of your get togethers. Share you ideas and send them to bikerwoe@icloud.com.

Howdy Friends!

We are entering round two with our Meck South Rotary small groups. Thanks to everyone for your feedback from round 1! How many of you read this email all the way to the end before looking at who is in your new group? Ha!

A few things to keep in my mind as we connect with our groups:

1. Join together- assume everyone wants to be active with the group and include everyone in your group on all communications regardless of their activity level.
2. Take action- don't wait for someone else to initiate the email or text saying hi to everyone and coordinating meeting times
3. Be generous- Be generous with your thoughts. Someone may not be quick to respond or even respond at all. Assume our members are doing the best they can, where they are, with what they have. We all have different circumstances that influence whether we meet in person, meet virtually, meet sporadically, or meet often.
4. Connect- the purpose of the groups is to provide a structure for us to meet with a small handful of members at a time. We get to learn about other Meck Southerners, have meaningful conversations, and do stuff together. I loved getting to know a new member and reacquaint with veteran members! If your group appears small or inactive, simply tap into another group to expand your interactions, but do not abandon your group. Keep reaching out!
5. Allow the bingo cards to guide your gatherings. It's simply a guide to help us all serve our club, be intentional with our actions, reach goals, and ultimately serve in the spirit of Rotary.
6. Enjoy! Have fun with the small groups and the bingo card!

Fee free to reach out to Todd Greene or myself with any questions.
