## CPR Thursday Nov 12th - Dale Folwell, NC State Treasurer,

There is growing concern that the economic slowdown due to the COVID-19 pandemic response will continue to impact businesses across the state. Not only does this cause job loss but reduces business, occupancy and sales tax revenue that governments depend on.

As chairman of the Local Government Commission, Treasurer Folwell is uniquely suited to talk about the impact the slowdown has had on local governments and businesses across the state and the role that the Department of State Treasurer has in the economic well-being of the state in light of the difficulties facing all states due to the pandemic. Dale Folwell was sworn in as the NC State Treasurer in 2017, and became the ♦keeper of the public purse.♦ Dale is from Winston Salem and served in the NC General Assembly and 4 years in the NC House of Representatives.

## FREE PUBLIC events to celebrate America Recycles Day in mid-November!

1. Check out how Mecklenburg County is celebrating [America Recycles Day](#) November 14-19th. Click above to register for each event individually and submit your [Recycle Right Pledge](#). **Remember to always ♦Recycle Right!♦**

## Rotary Foundation Minute

### WHAT IS A PAUL HARRIS FELLOW?

by Wallace E. Olson, Jr.

Established in 1957, Paul Harris Fellow recognition is given to individuals who contribute, or who have contributions made in their name, of \$1,000 to the Rotary International Annual Fund, PolioPlus, or an approved Foundation grant. Recognition consists of a certificate and pin.

Paul Harris Fellows can also be given on behalf of someone through Foundation Recognition points or through a combination of points and outright donations. Since the creation of the Paul Harris Fellow, over 1.6 million people have become Paul Harris Fellows, including notable figures such as U.S. President Jimmy Carter, Russian President Boris Yeltsin, polio vaccine developer Jonas Salk.

## Atrium Health on the Coronavirus

*From Christy Smith who works for Atrium Health*

Atrium Health updated the list of common COVID-19 symptoms according to the [CDC](https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing.html).

As a trusted healthcare partner, please know that Atrium Health is here to help our community through this. From sharing prevention tips to offering free and reduced-cost remote care options, we're making every effort to keep you and the people you serve safe and informed. Be sure to check out [www.AtriumHealth.org/Coronavirus](https://www.AtriumHealth.org/Coronavirus) for the latest information. The Atrium Health [Community Resource Hub](#) is also available for support. From food pantries to transportation and housing, the Community Resource Hub provides an easy way to access local programs and services.

In this challenging time, we're asking for your help. Awareness and education are key to preventing the spread of this virus and by sharing information with your network, you can make a meaningful difference. Whether you share via email or social media, we appreciate anything you can do to support these efforts.

# What you need to know about coronavirus (COVID-19)

We're all in this together. And at Atrium Health, we're here to make sure you and your family are safe, cared for and informed. Here's what you need to know right now.

## Common symptoms of coronavirus

Fever

Chills

Headache

Cough

Repeated shaking with chills

Sore throat

Shortness of breath or difficulty breathing

Muscle pain

New loss of taste or smell

Nausea or vomiting

Diarrhea

Congestion or runny nose

## What to do if you feel sick

### Stay home

Most people with COVID-19 have mild to moderate symptoms and can recover at home. Rest up and prevent germs from spreading by staying home and away from others for 14 days.

### Get checked and cared for at home

For more mild symptoms, keep yourself and others safe by getting medical care from the comfort of home. If you need help, use our free COVID-19 risk assessment to learn about the care you need.

### Call ahead for in-person care

If you need in-person care for severe respiratory symptoms, call before you arrive at the doctor's office, urgent care or emergency room. This will help your healthcare providers take steps to get you the right care and keep others from being exposed.

If your health problems are a threat to your life, call 911 right away.

## Tips for staying healthy

Wash your hands with soap and warm water

Don't touch your face

Avoid close contact with someone who's sick

Clean and disinfect surfaces and objects people touch often

Stay at home as much as you can, even if you feel well

Wear a mask or cloth face covering in public

Stay informed with accurate information
