Quantity (____) x \$25 ea. = \$ _____

Optional: Additional Donation: \$ _____

Total Enclosed \$ _____

Please make checks payable to: **Charlotte Providence
Rotary Club.**

Name of Rotary Member (to deliver wreaths):

Rotary Foundation Minute

Rotary's World Community Service program was launched in 1967. Since then, thousands of projects have been completed, and millions of your dollars in funding, supplies and work hours have been donated annually by Rotary clubs to support them. International service projects aim to: Improve the quality of life for those in need, encourage cooperation between clubs and districts in countries around the world, provide an effective framework for exchanging information and ideas regarding project needs and assistance, increase awareness among Rotarians of international development and cultural issues as well as the importance of implementing projects that help people help themselves, educate Rotarians about project funding opportunities, and foster international understanding, goodwill and peace.

The Rotary Foundation encourages all clubs to reach out beyond their own community and to further international understanding and goodwill by supporting an international project. Rotary Showcase is a searchable database where hundreds of funding opportunities are available for support. It can be found on the RI website: www.rotary.org. Become involved and be a "gift to the world".

ROTARY:
MAKING A
DIFFERENCE

Atrium Health on the Coronavirus

Atrium Health updated the list of common COVID-19 symptoms according to the [CDC](https://www.cdc.gov).

As a trusted healthcare partner, please know that Atrium Health is here to help our community through this. From sharing prevention tips to offering free and reduced-cost remote care options, we're making every effort to keep you and the people you serve safe and informed. Be sure to check out www.AtriumHealth.org/Coronavirus for the latest information. The Atrium Health [Community Resource Hub](#) is also available for support. From food pantries to transportation and housing, the Community Resource Hub provides an easy way to access local programs and services.

In this challenging time, we're asking for your help. Awareness and education are key to preventing the spread of this virus and by sharing information with your network, you can make a meaningful difference. Whether you share via email or social media, we appreciate anything you can do to support these efforts.

Atrium Health

Current as of June 9, 2020

What you need to know about coronavirus (COVID-19)

We're all in this together. And at Atrium Health, we're here to make sure you and your family are safe, cared for and informed. Here's what you need to know right now.

Common symptoms of coronavirus

Fever

Chills

Headache

Cough

Repeated shaking with chills

Sore throat

Shortness of breath or difficulty breathing

Muscle pain

New loss of taste or smell

Nausea or vomiting

Diarrhea

Congestion or runny nose

What to do if you feel sick

Stay home

Most people with COVID-19 have mild to moderate symptoms and can recover at home. Rest up and prevent germs from spreading by staying home and away from others for 14 days.

Get checked and cared for at home

For more mild symptoms, keep yourself and others safe by getting medical care from the comfort of home. If you need help, use our free COVID-19 risk assessment to learn about the care you need.

Call ahead for in-person care

If you need in-person care for severe respiratory symptoms, call before you arrive at the doctor's office, urgent care or emergency room. This will help your healthcare providers take steps to get you the right care and keep others from being exposed.

If your health problems are a threat to your life, call 911 right away.

Tips for staying healthy

Wash your hands with soap and warm water

Don't touch your face

Avoid close contact with someone who's sick

Clean and disinfect surfaces and objects people touch often

Stay at home as much as you can, even if you feel well

Wear a mask or cloth face covering in public

Stay informed with accurate information
