## September 19th Program - Club Assembly

We have important items to discuss and would appreciate your involvement on Thursday. Richard will report on the Club's finances. Mike will share all things related to the Cotswold Farmers' Market. Scott Purcell will talk about a new fundraiser called Chase the Ace. Ron will discuss Club leadership roles and current vacancies which are important to fill. Please join us!

## September 26th Program - Reiki

Reiki is a healing practice which originated in Japan, built on the belief the body is innately able to heal itself using the universal life energy within each body. With the increased interest in alternatives to opiates for pain relief, more physicians and hospitals are recommending Reiki as one potential method to help with pain with low or no risk. Cori Stuart is a Reiki practitioner who will share insights into her work.

The event was a huge success as measured by smiles on faces, glasses raised, and forkfuls consumed! Thanks to all who came out and celebrated with friends both new and old. The meal was absolutely delicious. Following are just a few photos showing what a good time it was. Click [here](#) for more.

## Did you know?

The Four-Way Test was adopted by Rotary in 1943 and has been translated into more than 100 languages and published in thousands of ways. The message should be known and followed by all Rotarians.

"Of the things we think, say, or do: 1.) Is it the TRUTH? 2.) Is it FAIR to all concerned? 3.) Will it build GOODWILL and BETTER FRIENDSHIPS? 4.) Will it be BENEFICIAL to all concerned?"

Now, you know! (source: rotaryclubone.org)
