President's Message - November 22, 2021

Dear Rotary Friends,

Like most of you, I am spending time this week thinking about **GRATITUDE**. It's a good thing at any time of the year to reflect on our blessings and the people around us who make our lives better. Of course, I am very thankful to be a part of Rotary International...for the opportunities it provides to help us serve our community and the world, for the fellow Club members I have had the pleasure of getting to know, and for the faith and trust you've shown in me in allowing me to lead the Club this year.

Hoping that each of you will have the time to appreciate your blessings this week as well. Looking forward to seeing you next week as we learn more about C.A.R.T. with **Bill Shillito**.

Also, for those of you who were in attendance last week and heard that **Scott Attaway** had to leave the meeting and head to the hospital, I'm very glad to report that he was checked out by **Dr. Omer Shedd** and is on the path to recovery. Something else to be thankful for!

Yours in Rotary Service,

President Laurel
