**What is RLI?**

RLI is a three-Part non-consecutive basic course in both Rotary knowledge and leadership skills. In addition to specific Rotary knowledge and skills, most of the RLI sessions have a leadership component. Each Part lasts from roughly 8:30 to 4:00. To become an RLI graduate, you must complete all three Parts on three different days.

RLI is a grassroots coalition of Rotary districts implementing a leadership development program for "potential" leaders of Rotary Clubs. Established in 1992, RLI has become a worldwide organization with divisions in every Continent of the world. Most Rotarians have not been exposed to the great scope of Rotary around the world and have not considered what leadership skills are necessary to move Rotary forward. Rotary Club leaders must know the evolution of Rotary, its current status and activities in the world, and have a vision for what Rotary can be in the future. RLI is designed to help provide this.

The expectation of RLI is to have clubs identify those with the potential for future club leadership and send them to RLI courses at club expense. All member clubs may send any club Rotarian to RLI courses and any Rotarian may attend any course at his/her own initiative.

**Paul Harris Fellow**

**PAUL HARRIS FELLOW HISTORY**

The Paul Harris Fellow recognition was established in 1957 to show appreciation for and encourage substantial contributions to what was then the Foundation's only program, Rotary Foundation Fellowships for Advanced Study, the precursor to Ambassadorial Scholarships.

The first Paul Harris Fellows include 1937-38 RI Director Allison G. Brush and longtime RI Treasurer Rufus F. Chapin, both for donations made in 1946. Mrs. Adan Vargas was the first woman to receive the recognition, for a gift made in 1953. Mrs. Harry L. Jones was the second, and one of only five people recognized for contributions made in 1957.

Early Paul Harris Fellows received a certificate of recognition. In 1969, the Foundation unveiled the first Paul Harris Fellow medallion at the RI Convention in Honolulu, Hawaii, USA. Japanese metal artist Fiju Tsuda created the piece under the direction of then-past Foundation Trustee Kyozo Yuasa. Today, Paul Harris Fellows receive a certificate and pin. They are also eligible to purchase a Paul Harris Fellow medallion.

Rotarians have a tradition of supporting the Foundation by honoring others. Ida LeTulle Taylor became a Paul Harris Fellow in 1978 when her husband, then-District Governor Vann Taylor, made a donation in her name in honor of their 34th wedding anniversary. The gift also made her the 25,000th Paul Harris Fellow.

At the International Assembly in 1979, then-RI President-elect James Bomar challenged each Rotary club to make one non-Rotarian a Paul Harris Fellow. The Rotary Club of Pikesville, Maryland, USA, responded by making a donation in the name of Mother Teresa in 1980. The entertainer Pearl Bailey also became a Paul Harris Fellow through a joint effort of the Rotary clubs in Cape Cod, Massachusetts.

Many other notable figures have been named as Paul Harris Fellows, including U.S. President Jimmy Carter, Russian President Boris Yeltsin, U.S. astronaut James Lovell, UN Secretary-General Javier Perez de Cuellar, and Jonas Salk.
