Book Club Success! So You Want to Talk About Race

By Jennifer Levine on Friday, July 31, 2020

Book Club Success! **So You Want to Talk About Race**

On Tuesday evening, July 28, 15 Rotarians met online to break down our thoughts about the book *So You Want to Talk About Race* by Ijeoma Oluo. The intense (but important) discussion was led by Rotarian and Durham City Attorney Kim Rehberg. The book is a great primer and introduction to the vocabulary behind current (and past) discussions on race. [Read More](#)

Elisabeth Wiener, Vice President; Emilee Collins, President; Treat Harvey, Club Member & Student U Development Officer

The Rotary Club of Durham donated the District provided personal protective equipment--gloves, hand sanitizer and masks--to **The W.G. Pearson Center and Student U** facilities which will operate as a learning center for Durham K-12 students and families that are most in need.

They are working to outfit their building to create the safest conditions possible for people to gather and operate as a learning center. They will be building gazebos, growing their garden, creating outdoor gathering circles, getting equipment that would enable them to do more outdoor wellness activities, and purchasing Plexiglas desk protectors. The personal protective equipment provided by the District will go a long way to setting up their Learning Centers for a safer opening.

Invoices Due August 14

By Emilee J Collins on Friday, July 31, 2020

Payments Due August 14

As Rotary International says: "Impact starts with our members ♦ people like you who see a world where people unite and take action to create lasting change ♦ across the globe, in our communities, and in ourselves."

Our collective ability to make an impact does not have to change when we are in the middle of a worldwide pandemic or social unrest in our country. It is even more critical that we remain focused on our Rotary mission and pour time and treasure into our club.

Did you know that our club's financial health is in large part dependent on our dues payments being received in a timely manner? Our budget has been set to sustain operating expenses for our Rotary Year 2020-2021 based on you being our valued member.

Our meetings may not look the same or have the same in-person appeal; we may be more limited in our physical outreach to the community; but we are a 1.2 million member international organization that is united in our seven areas of focus AND an amazing 241 member Durham Club with a huge heart for taking care of its community.

We need you more than ever to be a part of this membership club with a legacy of service, action and impact.

Many thanks to those who have already paid your dues, those who have contributed more than the minimum, those who have been generous toward our Community Chest fund and those who are Rotary Foundation Sustainers.

Community Chest Member Assistance

By Emilee J Collins on Friday, July 31, 2020

COMMUNITY CHEST

We care if our members are finding it difficult to pay the six months dues during these uncertain economic times.

Our Community Chest has been established to help maintain valuable member involvement in the club.

Send an email by August 14th to Sharon Lassiter at slassiter38@nc.rr.com with the following brief information:

1. How are dues being paid currently? You or employer?
2. How much are you seeking assistance for? Full or partial dues invoice for this six months?
3. Brief reason for request for assistance?
4. Do you expect this assistance to be needed in 2021?

You may pay it forward to the Community Chest when your situation improves.
