Getting To Know You--Emilee Collins

By Sharon Kay Lassiter on Friday, August 7, 2020

What is Your Full Name? [Emilee Jean Hooven Collins](#)

What is profession? Do you recommend it? [Real Estate. I love it! I have worked in home building and residential real estate for sixteen years and recently joined Pickett Sprouse, a legacy commercial real estate firm in Durham to work in the commercial arena. To be able to learn about people's businesses or investment goals, their hopes and their dreams for the future is special for me. I feel privileged to be a part of their success in finding the right space for their work or real estate investment for their portfolio.](#)

What's your sign? Do you think that description represents you? [My sign is Aquarius. "Intelligent and very connected" they say! I'll take it.](#)

Who was your best friend growing up? [Heather Welch](#)

What's your favorite color? [Green right now](#)

Where and in how many different cities have you lived? What was your favorite and why? [Mocksville, Chapel Hill, Durham and Hillsborough, NC. Hillsborough is my favorite as it's where I'm raising my children and making so many connections and friends for life.](#)

What is the strangest/coolest job you have ever had? [My dad worked for RJR Tobacco for 32 years and over my summer college breaks, I would pack cigarettes into cartons at the factory. We were incentivized on how many cartons we could pack each hour.](#)

Invoices Due August 14

By Emilee J Collins on Friday, July 31, 2020

Payments
Due
August 14

As Rotary International says: "Impact starts with our members ♦ people like you who see a world where people unite and take action to create lasting change ♦ across the globe, in our communities, and in ourselves."

Our collective ability to make an impact does not have to change when we are in the middle of a worldwide pandemic or social unrest in our country. It is even more critical that we remain focused on our Rotary mission and pour time and treasure into our club.

Did you know that our club's financial health is in large part dependent on our dues payments being received in a timely manner? Our budget has been set to sustain operating expenses for our Rotary Year 2020-2021 based on you being our valued member.

Our meetings may not look the same or have the same in-person appeal; we may be more limited in our physical outreach to the community; but we are a 1.2 million member international organization that is united in our seven areas of focus AND an amazing 241 member Durham Club with a huge heart for taking care of its community.

We need you more than ever to be a part of this membership club with a legacy of service, action and impact.

Many thanks to those who have already paid your dues, those who have contributed more than the minimum, those who have been generous toward our Community Chest fund and those who are Rotary Foundation Sustainers.

Community Chest Member Assistance

By Emilee J Collins on Friday, July 31, 2020

COMMUNITY CHEST

If you are finding it difficult to pay the six months dues during these uncertain economic times, we are here to help.

Our **Community Chest** has been established to help maintain valuable member involvement in the club. The application process is easy, your request will be held confidentially to limited review committee, and there is NO repayment expected.

Send an email by **August 14th** to Sharon Lassiter at slassiter38@nc.rr.com with the following brief information:

1. How are dues being paid currently? You or employer?
2. How much are you seeking assistance for? Full or partial dues invoice for this six months?
3. Brief reason for request for assistance?
4. Do you expect this assistance to be needed in 2021?

You may pay it forward to the Community Chest when your situation improves.
