## Making Important Connections Within Rotary During Life's Transitions

By Emilee J Collins on Saturday, August 15, 2020

## Rotary Opens Opportunities

If you've recently been laid off or furloughed or making a transition in your life... let's have a coffee ☕, lunch 🍽️, drink 🍹, phone call 📞, or zoom chat 🖥️. Please get in touch and explore how our Rotarians can offer support or help open opportunities for you!

As Rotarians we can be a resource for others and ask ourselves:

- May I put you in touch with a contact of mine?
- May I write a LinkedIn or Google recommendation for you?
- How about a pick-me-up conversation?
- Need resume or interview advice?

We are a Rotary fellowship and connections with others in our club can be Beneficial to All Concerned.

Email me at [emilee@emileecollins.com](mailto:emilee@emileecollins.com) and we can set up a time to chat about the connections that may be helpful for you in our club and beyond!

'Rotary Opens Opportunities' is our Rotary theme this year! We are richer because of the connections and experiences that we can share due to our engagement in our club and community. Sarah Hill of Hamilton Hill Jewelry shares that one of her favorite opportunities she's been given is working with a particular student at Y.E. Smith Elementary for the past three years. Being able to see each student thrive and grow with a little support and encouragement is so gratifying! She hopes to be able to continue her work virtually with her favorite student.

What Opportunity have you been given because of Rotary? I would love to hear your experiences!
