## This Week's Speaker

**Alan Shapiro**  
NC Turnpike Authority

### Complete 540 Update

Alan joined the North Carolina Turnpike Authority in September of 2017. Prior to that, Alan spent over 10 years working in various Construction Contract Administrative positions before serving as the Assistant Division 5 Construction Engineer for NCDOT. As the Roadway Manager for the Turnpike Authority, Alan is responsible for the maintenance and operations of the 18.8 mile Triangle Expressway in Wake and Durham Counties in North Carolina.

Alan also oversees the Turnpike Authority's Traffic Management Center Operations which monitors the safe operation of the facility including the travelling public and routine maintenance activity work zones. Alan received his Bachelor of Science in Civil Engineering from North Carolina State University and is a licensed Professional Engineer.

## YOU can Make a Difference (Be a Hero)

This year, since we are just beginning to reconnect after a long Covid-19 lock-down, I have recommended modest Rotary Foundation goals to District Governor Angela Jamison. It is not because I don't value and appreciate **OUR Foundation**, I do. Rather, it is because I recognize that clubs may have other needs and priorities during this year of rebuilding.

That said, I know that many District 7710 Rotarians are able to be generous, even during these difficult times. Whether it is because they have a generous heart and have prioritized charitable giving, or because they have a generous bank account and can easily afford to be generous. No matter your situation, I ask you to be as generous as possible.
