Having worked with housing and land use from multiple perspectives and at macro and micro levels, Pamela is passionate about the importance of housing stability and the numerous ways access to it shapes our individual and collective opportunities. Pamela comes to the Coalition with a background in policy advocacy, sustainable development, urban planning and real estate. Pamela began her career as a policy analyst with the Southern California Association of Non-Profit Housing, advocating for

policies to reduce financing and land use barriers to the development and preservation of affordable housing. Pamela's resume also includes working with Global Green USA to assist local governments and public agencies across the country to develop and implement sustainable design and construction policies and criteria. Along with her public policy experience, Pamela has worked as a project coordinator/LEED AP with a boutique real estate development firm in Los Angeles and as a real estate broker in Maine, New Hampshire, and North Carolina. Pamela has a B.A. from the University of California, Los Angeles (UCLA) where she studied Public Policy and Psychology. She is also a LEED Accredited Professional (BD+C) and holds a full real estate broker's license in North Carolina.

Friday, July 3: 12:30-1:30: Membership/Orientation and Retention Chairs Barbara Day and Catherine Maxwell will be leading the Club through a SWOT analysis as we explore ways to increase membership. What is SWOT? SWOT is a compilation of your company's strengths, weaknesses, opportunities and threats.

Hope to see you Friday.
