Communities in Schools of Cape Fear - Louise Hicks

This week at Rotary is...

Communities In Schools of Cape Fear works in partnership with public schools to identify and connect students, many in jeopardy of dropping out, with the community resources they need to stay engaged in school.

CISCF offers programs in area schools and brings community resources, services, parents and volunteers together to help meet students' needs.

Louise Hicks, Executive Director, will speak to the club about the current programming offered at CISCF, as well as fundraising efforts to support their highly effective work.
