Julie Bowling - Diaper Bank of NC

Julie Bowling
Branch Coordinator

Diaper Bank of North Carolina Lower Cape Fear. Ms. Bowling will talk about the work of the Diaper Bank, why it is so needed and the impact the assistance they provide has for the families they serve.

I grew up in Columbia, SC and completed my undergraduate studies at Winthrop University in Rock Hill, SC. I went on to earn a Masters at the Franciscan School of Theology in Berkeley, CA and then served for two years as a youth minister at church in Santa Rosa, CA. When I returned to the east coast, I worked with Habitat for Humanity in Greenwood, SC for several years before becoming a full time mom. My

husband, three children, and I moved to Wilmington in 2016 and I soon began volunteering at the Diaper Bank. When the part-time position of Branch Coordinator became available in 2017, it was the perfect fit. Since that time it has been my privilege to help distribute diapers, adult incontinence, and period products across the Lower Cape Fear. When I am not advocating about diaper need, I am busy enjoying time with my family, reading, cooking, and hiking.

SERIOUS LOCK DOWN ADVICE

Everyone PLEASE be careful because people are going crazy from being locked down at home!

I was just talking about this with the microwave and the toaster while drinking my Pepsi, and we all agreed that things are getting bad.

I didn't mention any of this to the washing machine, because she puts a different spin on EVERYTHING!! Certainly couldn't share with the fridge, cause he's been acting cold and distant! In the end, the iron straightened me out! She said the situation isn't all that pressing and all the wrinkles will soon get ironed out!

The vacuum, however, was very unsympathetic... told me to just suck it up! But the fan was VERY optimistic and gave me hope that it will all blow over soon!

The toilet looked a bit flushed but didn't say anything when I asked its opinion, but the front door said I was becoming unhinged and the doorknob told me to get a grip!! You can just about guess what the curtains told me: they told me to "pull myself together!"

We will survive!!

Pass it on - gotta keep the humour! 😂😄😁
