Christmas Families

Huge THANK YOU to all that have responded to my email. In case you missed it, I have pasted it below. We are half way to our goal. WOO HOO

Note to Board Members: I am not sure I got everyone's name down that spoke up at the board meeting. If you could please respond in an email, that would be most helpful. The last thing I want to do is charge you for a pledge that you did not make.

We need your help more than ever this year. There are so many families that have been completely devastated during the COVID-19.

We plan to do our Christmas Family Project again this year. There are families that would not even have a Christmas if it were not for our club. As you know, we show up at Target and have families scheduled to come in at various times and when they arrive they are told how much money they have for Santa. All they know when they arrive is that someone will be there to help them pay for Christmas.

The club matches us on our contributions. So, if you pledge \$100, then we actually have \$200 with the club match. Our goal is to get to

\$8,000 - \$4,000 from our members and \$4,000 from the club. Of course, if we pass our goal - all the better. The more we have - the more we can help. If you could please respond to this email with your pledge, we will invoice you. Thanks so much for your support.

WE ARE THE BEST ROTARY CLUB IN THE UNIVERSE!!!

My doctor said now that I'm older
I need to install a bar in the shower

One day the first grade teacher was reading the story of Chicken Little to her class. She came to the part where Chicken Little warns the farmer. She read, "...and Chicken Little went up to the farmer and said, "The sky is falling!" The teacher then asked the class, "And what do you think that farmer said?" One little girl raised her hand and said, "I think he said: 'Holy Sh't! A talking chicken!'" The teacher was unable to teach for the next 10 minutes.

This picture was given to Class II Children and they were asked to suggest a headline. The winning entry was:

'Never swallow your chewing gum'.
