President's Post

By David Vanasse on Tuesday, August 13, 2019

Greeting Fellow Rotarians!

Wow is all that can be said about last weeks meeting! I'm sorry for those that missed it. The energy throughout the meeting was contagious. Glenn Humbert delivered a moving Rotary moment. David Passmore not only gave a great presentation on the NC Boys & Girls Home at Lake Waccamaw, but we were also blessed to have with us a number of visitors including our District Governor, Doug Wolfe, and District Governor-Elect, Dawn Rochelle. There were three seniors representing the NCB&GH and Thomas Academy and the were very glad to receive the backpacks. Great job, Rotary!

Saturday morning, several members from the club attended the Foundation seminar at the Mad Boar in Wallace and garnered a better understanding of our Rotary Foundation, projects and opportunities. Jeff Mount certainly brought some levity to the day with his PolioPlus skit and his red "Stomp Out Polio Now Chucks." These converse are available for purchase:

<http://www.rotary5400.org/page/stomp-out-polio>.

Bob Stinson will be bringing our program this week. He'll be sharing with us Rotary beyond the local club as well as inducting two new members: Wade Houk and Amber Malave.

Don't forget, Saturday, August 24th, the District is sponsoring a membership and public image seminar at the Cape Fear Winery in Elizabethtown. If you are unable to attend this one there will be another in Jacksonville, in September. Please plan to attend. It's a wonderful opportunity to interact with other Rotarians while learning and having a good time.

Yours In Rotary Service,

David

Let's Stomp Out Polio!

By Jeff L. Mount on Thursday, August 1, 2019

Let's Stomp Out Polio! Pssst, want to shout out to the world that you're a Rotarian who wants to end Polio? Go to <https://rotary5400.org/page/stomp-out-polio/> and order a pair of Stomp Out Polio shoes. This is a great way to make a statement and a donation at the same time. Buy them for yourself or for the kids or grandkids. Wouldn't your sergeant-at-arms look great in these every week - talk about a great conversation starter!

Remember, we are not just inoculating children in the three endemic countries, but we are inoculating over 400 million children each year in 60 countries of the world where the virus is still present. As you all know, there is no cure for polio. It is an incurable disease. The ONLY way to victory is inoculation. We are winning that battle and we have come a very long way but we still have a ways to go and world politics and terrorism in many of the countries we are working in with our partners makes the task difficult. Your one dollar is matched with two more by the Gates Foundation!!!

Membership Training Sessions - Save the Dates

Are you Happy with your club membership?

Are you satisfied with your club's numbers? If you're like me, the answer is likely no. We all are experiencing a gradual loss of members for the past ten years. And guess what? Unless you do something different, the same thing will happen this time next year. And the year after that.

It doesn't have to be that way. There are proven methods that really work. I'll go so far as to say they are **guaranteed**.
